The Celt in Mexico.
 Of prominent Irish families who are now quite as much Mexican as Iberian we have the Greens, Lynches, Lonergans, O'Germans, Morans, Morphys, Branfitts, Knights, Whites, Kellys, O'Reillys, Hopes, Wilsons, etc. Some of the Irish families are descended from the famous colony of exiles from the Emerald Isle who settled in Cadix, Spain, in the eighteenth century.—Mexican Herald.

Who is Responsible, Says Baker, the Photographer
 Every mother and father, who neglects having their children's likeness taken when they are young, don't one time think, when the child gets grown, they will look back and long to see how cute they looked when they were little tots, playing at the feet of mother and father.

DIABETES.
 In people of sixty and over results are quite uniform, probably ninetenths recovering. While at fifty and over a large majority of all cases yield to the treatment, below fifty and approaching forty the percentage is not high—probably not much over half yielding.
 Under thirty the percentage is less and in children recoveries have been very few and most of these were obtained with the aid of skilled physicians forcing nutrition and alkaline treatment to prevent formation of acetones.

The new emollient treatment is known as Bloodline Blood and Kidney Tablets. They can be had in Washington at Dr. Ira M. Hardy's.
 We desire every patient to write us who is not noting the usual improvement by the third week. Always state age. Literature mailed free, and stamp to pay postage. Dr. Ira M. Hardy, Special Agent.

FIT THE GROCER
 Wife Made the Suggestion
 A grocer has excellent opportunity to know the effects of special foods on his customers. A Cleveland grocer has a long list of customers that have been helped in health by leaving off coffee and using Postum.
 He says, regarding his own experience:
 "Two years ago I had been drinking coffee and must say that I was almost wrecked in my nerves."
 "Particularly in the morning I was so irritable and upset that I could hardly wait until the coffee was served, and then I had no appetite for breakfast and did not feel like attending to my store duties."
 "One day my wife suggested that I should give up coffee and I did so. I was so irritable and upset that I could hardly wait until the coffee was served, and then I had no appetite for breakfast and did not feel like attending to my store duties."
 "My nervousness gradually disappeared and today I am all right. I would advise everyone affected in any way with nervousness or stomach troubles, to leave off coffee and use Postum."
 "There's a Reason." Read "The Road to Wellville," in plays.
 Ever read the above letter? A new and better food than coffee. It is Postum. It is made from wheat and is a healthy, nourishing, and delicious food.

REFORMATION DAY SUNDAY
 Reformation Day will be observed at the First Presbyterian church tomorrow in accordance with the order of the general assembly of that church.
 The pastor will speak on the Fundamental Principles of the Reformation. In the growth and aggressiveness of Romanism in our Republic, it behooves all true protestants to be active tonight, in preserving the blessings of civil and religious liberty won by the reformers.
 This service should be of interest to our people and they are cordially invited to attend.
 Regular worship and preaching in the evening at 7:30. Special music.
 The session of the church will convene at 10:30 to receive any who wish to unite with the church.

Barbecue At Chocowinity
 Quite a number of our citizens attended a barbecue at Chocowinity yesterday at the residence of Mr. H. H. Hill. Nearly two hundred good democrats were present and not only did they enjoy a feast fit for a king but heard addresses from such speakers as Hon. John H. Small, J. F. Taylor and G. H. Hill. The occasion was one of the most enjoyable ever conducted in the county.
 Chocowinity is going to roll up a good, substantial democratic majority on election day.
 The citizens of that community as a whole cannot be excelled and on yesterday they sustained their well earned reputation.

Huntsmen's Luck
 Messrs. Lewis, Merz and Van Moon now hold the tin cup as the champion () huntsmen of this section. They returned Thursday from an all day outing in the woods for miles around. They claim they bagged one crow, one yellow hammer and one coon but on account of so much water they were compelled to leave their game in the forest. They say there is plenty of game and if the weather had only been more propitious they doubtless would have annihilated everything in the game line. They are the recipients of many congratulations from their friends.

Speaks at Bath.
 Congressman John H. Small addressed the citizens of Bath today at 2 o'clock on the political issues of the day. He will be re-elected to congress by a handsome majority.
 The people of Bath and surrounding country were afforded a great treat.

Mrs. Small Hostess.
 Mrs. John H. Small entertained at seven o'clock last evening in honor of Mrs. Robert Crisp of Wilmington, N. C., who is her guest. Covers were laid for eight. The function was a most enjoyable one.
