QUEEN'S HALL

The Daily Telegram of London, has the following to say of Creator's Band which will show in Washington at the school auditorium on January 24th:

"Those in search of a new sensation may well be recommended to visit the Queen's Hall during this week, not only to hear Mr. Creator's band, but also to see Mr. Creator conduct it.

"The band is good. It consists of some fifty six players, mostly of military and kindred instruments, clarinets supplanting the strings of the usual band. Their combined tone is full of color, and of the brass, of great richness and power. The ensemble is up to a high standard, if not to the highest we have had in London, and at least it is a human ensemble, not of the machine made order, while the playing is often very expressive and full of point. But Mr. Creator is unique—alone He dearly loves contrast and obtains fine effects. Perhaps the greatest of them occurred in "God Save the King," played as an encore. Don't fail to ehar Creator's band at the school auditorium January 24th. Remember the date.

REPORT OF EXPERT ON MATTAMUSKEET DRAINAGE

Raleigh, Jan. 13.—Engineer Holman of New Orleans, expert agreed upon by the state board of education and the Roper Lumber company to pass upon the estimates and plan for the drainage of Mattamuskeet lake, in Hyde county, reports to the state board of education that the \$40,000 estimate by Engineer Wright is adequate for the drainage. He recommends a few minor changes in the plans for the work.

The president of the lumber company was summoned here today, but has important engagements in New York, so the details of the findings of the joint expert are filed to him and he asked to indicate his withdrawal of all exceptions to the drainage undertaking so that the deal by the state for the sale of the lake bed to a northern syndicate as held up December 1 by his exceptions may be put through.

With his world famous band of fifty Italian musicians, Creator, the most sensational band master ever before the public, will make his bow to a Washington audience on January 24th. The management of the school auditorium is to be congratulated on securing this great musical attraction for the people of this city and the fact that the prices of admission are being kept within reasonable bounds will mean a packed house.

Everywhere Creator and his band have appeared they have been received with the greatest enthusiasm and no where has their enthusiasm been more intense than in the largest cities of the North. In New York city for example, the New York Herald had the following to say recently concerning Creator's performances: "Creator received the most remarkable ovation ever accorded a like organization by any audience in this city."

Imagination conceives great works lack of it carries them out. After God created the world men began the work of re-creating it.

Even if a man knows better than to quarrel with his relatives he does not know better than to let them quarrel with him.

When a man's hair begins to turn gray immediately he gets an idea he looks distinguished. A woman can't understand why her husband wants to keep stocks and bonds in the safe deposit when he leaves her old love letters to him on a closet shelf.

Those Ohio mothers who sold their sons' votes are doubtless strong for women's suffrage.

And the advice of a critic does as much good as giving medicine to a dead man.

Show Attraction

The Neil Litchfield Trio, the popular entertainers, who are to give the next entertainment in the Lyceum course present one of the most novel and genuinely humorous entertainments in the Lyceum. It is a surprise after surprise from the opening to the closing number. If you want to laugh go and hear the Neil Litchfield Trio at the Public school auditorium on January 18th. Seats will be on sale at Hardy's Drug Store.

Dance on the 25th of January The Halcyon Club will give another dance on the evening of January 25th at the Elks Home.

The Improvements Admired The improvements now being made at the Gem Theatre have been much admired by the patrons of this popular playhouse. They have been needed for some time. Mr. Sparrow, the manager, is up to date and energetic.

Nearing Completion. The new parsonage for the Methodist church is now nearing completion. All the plastering has been completed and as soon as the muntels have been installed it will take only a short time before the family of the new pastor will be able to occupy it. The residence is certainly a credit to this congregation. No parsonage within the bounds of the conference is more attractive or convenient.

Four Barges Leave Port. There were four barges to leave this port yesterday loaded with lumber for different northern markets. Each barge has a capacity of at least one half million feet of lumber. This shows what our lumber industry amounts to. No town in North Carolina manufactures more of this product.

Rev. Mr. Bristow Ill. The Rev. J. E. Bristow a retired minister of the Methodist church and father of Mrs. Alex. Hudnell, an honored citizen of this city, is reported to be critically ill at his home on West Second street.

Sidewalks Repaired. The concrete sidewalks in front of the Washington public school building is being repaired.

TESTED AND PROVED

There is a Heap of Solace in Being Able to Depend Upon a Well Earned Reputation.

For months Washington readers have seen constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Jackson Baxter, 224 Bonner St., Washington, N. C., says: "I had kidney and bladder trouble for a long while. At times the kidney secretions were scanty, then again profuse. I had a constant ache in my back day and night and there were pains across my loins. I tried plasters and liniments, but they did not give me any relief and finally someone told me about Doan's Kidney Pills. I got a supply from the Hoyt Drug Co. and they relieved all my trouble. I am now feeling better than I have for a long time." (Statement given January 13, 1908.)

Confirmed Proof. On November 13, 1910, Mr. Baxter was interviewed and he said: "I will use Doan's Kidney Pills when I have need of a kidney medicine and they always bring good results. You may continue to publish my endorsement of this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.
