NEW CONSTITUTION

(Continued from Page Second)

giving the salaries paid in his department.

Bills relative to the challenging of jurors and amending the law for the relief of sub-tenants were reported unfavorably and on motion re-referred.

Unfavorable reports were made on bills relative to advance juror costs in justices' courts, and providing for a more effective indexing of deeds and other instruments.

A message was received from the governor giving the salaries of his office and enclosing reports giving the salaries paid in the offices of the secretary of state, superintendent of public instruction, and insurance commissioner.

Representative Thompson.

Representative W. A. Thompson who is now a member of the Judiciary committee has been made member of committee on counties, cities and towns and the committee on salaries and fees.

Practice Tonight.

All the members of the M. E. Church choir are requested to meet at the church this evening for practice.

Is Out Again.

The many friends of Captain Geo. Howard who met with the misfortune some time back of breaking his thigh will be pleased to learn that he has so far recovered as to be able to walk on crutches. He was out on the streets yesterday.

Women ought to have the right to vote so they wouldn't want to do it.

VESSEL HAS MISHAP

The schooner William T. Parker left here several weeks ago for New Bern where she was to load with lumber for northern markets. She was in charge of Captain J. M. Wallace in consequence of the injury to Captain George Howard. After loading at New Bern the schooner left for her destination. When off the Delaware Breakwater she parted her chains, due to jibbing and the sequence was that the vessel sprung a leak. The mate of the schooner said the misfortune to have his nip unlocated.

Mr. Hinan Howard a son of Captain Howard is now here awaiting instructions from the broker in New York city.

The vessel is now being towed to the Empire city and then Captain Hinman Howard will go on to take charge of the vessel until his father has recovered sufficiently to resume his duties.

Net a Centurionist.

A merchant died, leaving to his only son the conduct of his extensive business, and great doubt was expressed in some quarters whether the young man possessed the ability to carry out the father's policies.

"Well," said one kindly disposed friend, "for my part I think Henry is very bright and capable. I'm sure he will succeed."

"Perhaps you're right," said another friend. "Henry is undoubtedly a clever fellow; but, take it from me, old man, he hasn't got the head to fill his father's shoes."

Excellent Statements.

The statements of the different banks of the city being furnished to the Daily News shows institutions of a first class reputation. Each institution is on a safe and sound financial basis.

HOLD MASS MEETING

There is to be held a big mass meeting next Tuesday night in the courthouse by the Woman's Christian Temperance Union.

A fine program is being arranged by the committee and speakers of note will be on the platform. The public is most cordially invited, as a treat is promised them.

The full program will be announced later through these columns.

Smallpox in the City.

There are several cases of smallpox reported in the city. Every precaution is being taken to prevent its spread.

Is Indisposed.

The many friends of Mr. Suffolk Miles will regret to learn of his indisposition. It is to be hoped he will soon be able to resume his business duties.

CURRENT COMMENT

We get this idea from the editorial columns of the Philadelphia Ledger: The undraped status of Purity and Virtue must not be shown in the State House at Harrisburg, but the draped status of Senator Quay is perfectly proper. — Savannah News.

The census just taken shows that Waycross has a population of 14,485, an increase of 8,566 or 144.7 per cent since 1900, when the population was only 5,910. This puts Waycross possibly sixth, certainly as high as seventh, among the cities of Georgia. — Jacksonville Times-Union.

All that a widow learned in one marriage she tries to learn over again in another without letting anybody know it isn't new.
