## CONGRESS STILL IND HOPE FOR AN OPPOSED TO THE ADJUSTMEN PLAN OF WILSON LUS'TANIA

OUTLOOK FOR PRESIDENT'S DE- OFFICIALS FENSE PLAN GOING THROUGH

### RESENT HIS TRIP

to Not Have Liked the Mr. Wilson Going Inttricts and Try "to Disc.

Washington, Feb. 5.—President
Wilson returned to Washington yes,
terday from his speech making trip

Lusitania situation grows more critsituation in Congress is even worse, ently no hope of the United States so far as the prospects of putting his so tar as the prospects of putting his and Germany coming to an agreepreparedness program through is
concerned, than when he l'ft here a
week ago. Benators and members
of congress do not like the idea of
Mr. Wilson going into their districts
in an effort to discredit them with
their constituents and they do not
hestitate to say so.

Few if any congressmen have

letters have come in, but in each and before further action, although this every case they were written on the is uncertain. The entire matter letter head of some large business hangs on that word "illegal" refirm, many of them interested in garding the sinking of the British selling something to the government. liner. None of these letters were written with pen and ink. They were all typewritten, showing, the congressmen say, that the President's mes sages had not reached the fellow back in the small towns who will have to do the fighting should fight ing be necessary.

Before Mr. Wilson reached Washington he intimated that he would take a trip through the south and far west within a short time. If he sticks to this decision he is going to visit North Carolina. He will stop At Washington, N. C., during the Revolutionary war John G. Blount at Rocky Mount or Raleigh as a and Thomas Blount handled the compliment to Representative Pou stores for the government? (Vol. who is leading his fight for prepar-edness in the house. It is also prob-dense in the house. It is also prob-able that he will stop at Greensboro fore named by Col. James Bonner and possibly Wilmington.

Vocal Solo-"Purer Yet and Pur Mr. John Smith.
Address—Mr. E. L. Stewart.
Selection—Vanguard orchestra Anthem-"Bohold Now, Praise

the Lord." Hymn-"Onward Christian Sol-

Benediction-Rev. H. B. Searight

# BEING INSTALLED

Six Boxes Have Already Been Put Up. System Will Be Most Com-plete in Every Way.

The city's new fire alarm system is being rapidly installed. Six of the twenty-six boxes have already been put up through the business section of the city. The central apparatus at the firehouse is being tested daily and is working perfectsystem will be completed in a week

or two.
When dhished, Washington will have the most modern and complete fire alarm system of any city in Eastern Carolina.

# FFICIALS AT WASHINGTON DECLARE THAT WAR WITH GERMANY IS IMMINENT.

BOT" "STAND PAT"

apers Are Urging Imperial

States Demands. Entire Matter Hangs on Word "Illegal,"

in the middle west to find that the ical hourly and there is now appar-

hestitate to say so.

Few if any congressmen have "hear dfrom home" since the President Wilson declares that the bestitate to any congressmen have "hear dfrom home" since the President may dent's visit to their states. A few await the return of Colonel House

### LIBRARY ASSN. ENTERTAINMENT

To Be Given at the Elks' Hall on Washington's Birthday, Begin-ning at Eight O'Clock.

The fluence committee of the Pub-c Library Association met yesterday and held a most enthusiastic neeting at which plans for a unique ntertainment w re made.

The committee arranged for a Washington's birthday party, which will be given at the Elks' hall on the vening of the 22nd. Refr shments of all kinds will be served, a musical program of instrumental and vocal selections will be rendered and danc-ing will be prmitted. Some of the old Colonial dances, in which all will be invited to join, will be a feaure of the evening's entertainment.

WITH SOY BEANS New Bern Cotton Oil and Fertilizer Mills to Try Out New Plan.

New Bern, Feb. 5 .- Just as soon nembers of the other Bible classes as the present supply of cotton seed oy beans, crushing several hundred ions of them each week. This will probably be started some

time in April and if the venture proves a success the mill will keep up the work all during the summer. It has be n proven that the man-ufacture of these beans into oil and meal can be done and the management of the local plant is anxious to try out the plan locally.
