## PROSPERITY WOULD COME IN A RUSH IF EVERYONE IN BEAUFORT COUNTY WOULD PATRONIZE THE HOME MERCHANTS

If every resident in Beaufort county purchased all of their merchandise from the local merchants, the progress that Washington would make in a year's time would be little short of marvelous. We would be able to outstrip every city in this part of the State, in size, population and prosperity. We would be able to accomplish a vast number of civic improvements. New buildings would go up, more good streets could be built, the country roads would be improved, larger stores would be opened and everything would begin to hum and hustle in Washington.

But, while we persist in sending our money to the Mail Order houses, where we can get absolutely nothing in return, we will have to make a hard fight for progress and advancement.

**TRADE AT HOME!** Read the advertisements of the merchants on this page and then visit their stores. They are the representative business men of Washington and you will receive the best of treatment from them.

## LET'S STOP THAT LEAK

Our Community's money BELONGS to us. It should be USED for the improvement of OUR town and for the good of OUR country. Are we allowing it to LEAK away? And are we DOING anything to DISCOVER the LEAKS? Can't we put HOME TRADE to work? THERE is a workman who can STOP the leaks. The tool he uses is MUTUAL PATRONAGE. We farmers and merchants should get together as MASTERS and use this powerful agent to STOP the LEAK that is fast draining the resources of this town and this country. It takes Co-operation. That's all.
