PROMINENT LADY GAINS 28 POUNDS THROUGH TANLAC

Mrs. J. B. Andrews Was About to Give Up Hope When Friend Wrote: "Get Tanlac."

Mrs. J. B. Andrews, of 322 South Fifth Street, Wilmington, in which city she and her husband, who is a prominent insurance man, are well known, offers the following reasons for endorsing Tanlac:

"Various medicines failed to help me gain relief from nervous indigestion and asthma and I was about to give up hope when a lady friend of Pensacola, Fla., sent me a paper in which appeared an account of how she had been benefited by Tanlac. So far I have taken three bottles and I am proud to say I have gained exactly 28 pounds in weight. But that is not all for I firmly believe I am cured of nervous indigestion and asthma. I am glad to offer my statement and hope it will help other sufferers to gain as I have."

Tanlac is sold in Washington exclusively by Davenport's Pharmacy; Belhaven, H. F. Noble.

MEETING FOR FARMERS

Will Be Held Wednesday. County Demonstrator J. F. Latham Gives Out Statement.

A meeting of the farmers of Bath township is called for Surry C. B. H. Wednesday night, Sept. 20th, at which time and place there will be discussed the eleven following reasons why clover or some other winter growing crop should be grown:

1. Save plant food from leaching from the soil.
2. Prevent soils from washing and gullyng.
3. Add organic matter and nitrogen to the soil when plowed in.
4. Improve the physical properties of the soil when handled properly.
5. Afford cheap grazing during late fall, winter and early spring.
6. Provide food for stock on the farm, thereby obviating the necessity for buying hay and for stripping fodder.
7. Enable the farmer to better distribute man and team labor over the whole year.
8. Promote beneficial bacterial organism.
9. Guard against extremes of dry and wet weather.
10. Let air and water into the soil.
11. And cost very little to put in.

Mr. J. L. Holliday, one of Martin county's best and most practical farmers, will be with me at this and all the other meetings this week and by reason of his long and most excellent experiences will be able to benefit all who come to the meeting. Fellow farmers, let's turn out and put a green blanket over Bath township and Beaufort county this winter.

Yours truly,

J. F. LATHAM,
County Agent.

COUNTY CANDIDATES SPEAK

Held Meetings Saturday, at Bonner-ton and Core Point. At Bayside Wednesday Night.

The Democratic county candidates were at Bonner-ton on Saturday afternoon, and at Core Point that night. On account of the heavy rains in that section the party were an hour late at the Bonner-ton engagement, but were greeted by a representative crowd of voters of that precinct. All of the candidates made short addresses.

The Core Point meeting was one of the best of the campaign. A large and attentive crowd was present, and all of the speeches were well received. Messrs. Rumley, Mixon, Ross, and Whitley made their announcements, and addresses were made by Messrs. Butt, Warren and Garter.

On Wednesday night the candidates go to Bayside, where E. L. Stewart makes the principal address.

Modern Gullivers

Some men stand out from the crowd as Gullivers towered over the Lilliputians. By superior energy, activity and reserve strength they predominate.

Feeling right within, is one of the fundamentals of physical and mental strength, and is largely the result of proper nourishment.

Grape-Nuts

With Cream

is the logical food for thinkers and doers. It contains all the nutritious elements of whole wheat and malted barley, is partially predigested, and supplies an abundance of energizing nourishment without overworking the stomach. It also includes the vital mineral salts of the grain which are lacking in white bread and many other cereal foods.

There's able help for many in GRAPE-NUTS.
