## RISKED HIS LIFE TO SAVE HIS HAT

(Greenville Reflector)  
This morning as Coast Line train  
due in Greenville at 8:18 was near  
the Big Mill, just beyond the corporate  
limits of the town a negro standing  
on the platform of the coach had  
the wind to blow his hat from his  
head. He evidently thinking more  
of the head-piece than he did of the  
probable injuries he would receive  
jumped off the train, which was traveling  
at high rate of speed. The result  
was that he received an ugly cut  
about the head and a god shaking  
up. His injuries are not thought to  
be of a serious nature.
