JAMES L. MAYO PROPRIETOR
CARL GOERCH EDITOR

WASHINGTON, NORTH CAROLINA, NOV. 18, 1916.

When a man's single he usually stuffs the stove full of coal and never thinks of expense, but after he's married he puts in one lump at a time and figures out the cost of each lump.

Withholding his telegram of congratulations to President Wilson, it is evident that Mr. Hughes has adopted a policy of watchful waiting.

Owing to the inclement weather, the Aurora Fair Association has held the fair over another day. Residents of Washington, who have not yet seen the many attractions at the fair, are urged to visit Aurora tomorrow and take in the sights.

The vote in West Virginia is reported to be all messed up. And it is a safe bet that this "messed up" was not of an accidental nature.

Some of the papers are again trying to keep up suspense regarding the departure of the Deutschland, but their efforts are not meeting with much success.

Judging from the New Bern papers, there appears to have been some kind of a little celebration in that city on Tuesday night.

THE RIGHT KIND OF SPIRIT.

That the spirit of co-operation and harmony is binding the citizens of Beaufort county closer together was proven by the sentiment which was expressed by several local residents yesterday when asked whether they intended going to the Aurora fair.

"Aurora came up to help make our celebration a success on Monday night and we're going down to Aurora tomorrow to help make their fair a success.

It is this kind of spirit that is going to play an important part in the development of Beaufort county. It shows that old-time spirit of indifference and carelessness is now largely a thing of the past.

With this spirit in evidence throughout the county, we have much to look forward to. It will help us to grow and prosper as nothing else could do.

"PIPE DREAMS" OR REALITIES.

At the meeting of the Chamber of Commerce Monday night, several important matters were brought up and discussed. Principal among them were the perfecting of a great rail and water terminal here and the inauguration of a general market for cotton, corn and all other kind of produce.

Whether these projects are going to be "pipe dreams" or realities depends largely upon the citizens of the county. Without the co-operation of the people as a whole, nothing much can be done.

A prominent merchant of Washington, when approached the other day and asked to become a member of the Chamber of Commerce and lend his influence toward the upbuilding of the city and county, replied that he "didn't see where the Chamber did him or his business any good."

And such projects, as were talked of at Monday night's meeting, can be brought into reality if the citizens as a whole would only do their part. It is hard for ten or twelve men to do anything on a big scale when the entire population of the city and county is to be considered.

"Pipe dreams" or reality? It all depends upon YOU!

THAT EIGHT-HOUR LAW.

When Congress passed the Adamson bill, granting railroad men their demands of an eight-hour day and when the threatened strike was called off early in September, the American public breathed easy again and settled back with the exclamation, "Well, that's settled!"

They were never more wrong. Instead of being settled, the fight has only begun. The railroads are not going to act in accordance with the demands imposed upon them by Congress.

Be this as it may, the fact remains that there is going to be more trouble with the railroad employes at a very early date. As far as the effectiveness of the eight-hour law is concerned, we do not believe that it will amount to anything more than the bill which was passed in Congress some time before the Adamson bill and which provided for the support of the dependents of soldiers on the border.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Gardui, the woman's tonic. She says further: "Before I began to use Gardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Gardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give

a trial. I still use Gardui when I feel a little bad, and it always does me good. Headache, backache, side-ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Gardui, the woman's tonic. You cannot make a mistake in trying Gardui for your trouble. It has been helping weak, ailing women for more than fifty years.

The Town Gossip

WHEN I was a kid. AND WENT to school. AND WAS in the third grade. THERE WAS a story. IN OUR readers. ABOUT A rich man. WHO HAD lots of everything. AND WAS worth. ALL KINDS of money. AND THE poor people. WOULD COME to his house. AND BEG him. TO HELP them. AND HE wouldn't pay. ANY ATTENTION to them. AND HIS dogs. WOULD CHASE them away. AND THE man. KEPT ALL of his money. TO HIMSELF. AND ONE day a fairy. OR SOMEBODY came along. AND TOOK all of his money. AWAY FROM him. AND TOOK his children. AND CARRIED them. TO SOME woods. AND THE man. COULDN'T BUY any food. OR ANYTHING else. AND HE almost. STARVED to death. AND THEN the fairy. APPEARED BEFORE him. AND TOLD him. THAT HE was being punished. FOR NOT helping. THOSE IN need.

WHEN HE had plenty. AND THE man. BEGGED FOR another chance. AND THE fairy. GAVE IT to him. AND HIS children. AND HIS money. WERE RESTORED to him. AND AFTER that. HE WAS glad to help. EVERYBODY THAT needed it. AND OVER in Armenia today. THERE ARE thousands of people. WHO ARE starving. AND IN need of food. AND LITTLE children. ARE DYING by the hundreds. BECAUSE THEY can't get. ANYTHING to eat. AND ALL of us over here. HAVE PLENTY of food. AND MONEY to buy it with. AND WE don't pay. ANY ATTENTION. TO THE sufferers. AND I wonder. WHETHER A fairy. WILL WAVE her wand. OVER US and will take. ALL OUR prosperity. AWAY FROM us. AND MAKE us suffer. FOR NOT having helped. THE ARMENIANS. AND WILL make. OUR CHILDREN starve. SAME AS those. OVER IN Armenia.

All Kinds of Weather

IT WAS cold. THIS MORNING. AND LOTS of people. GOT UP out of bed. AND SHIVERED. AND BUILT fires. AND CAME down to work. AND THEIR teeth chattered. FOR AN hour, or so. AND THEN. THEY GRADUALLY got warmed. AND THE heat. OF THE Stoves. IN THE stores. GOT RATHER oppressive. AND THEY felt the need. OF SOMETHING. TO WAKE them up. AND THEY went. ACROSS THE street. TO THE drug store.

AND WRAPPED themselves. AROUND A glass. OF PEPSI-COLA. AND THEN. THEY WENT back to work. READY to hustle. ALL DAY long. AND THAT'S the reason. WHY HOT weather. OR COLD weather. MAKE LITTLE difference. IN THE sale. OF PEPSI-COLA. AND THE good effects. OF PEPSI-COLA. ARE JUST as evident. ON THE coldest day. AS ON a day. WHEN THE thermometer. IS 90 in the shade. AND IF you want.

TO KEEP well. AND FEEL chipper. AND GET rid. OF THAT drowsy feeling. THERE'S NOTHING. THAT WILL DO it quicker. THAN STOKING. TO PEPSI-COLA. AND LETTING IT. TAKE CARE of you. AND IT'S got. THE DOCTORS and nurses. BEAT A mile. AND YOU'LL never be sorry. FOR DRINKING IT because. IT CONTAINS nothing. THAT WOULD hurt. ANY CHILD. AND AT the same time. IT'S A man's drink. I THANK you.

How Delightful

IS WASHINGTON PARK!
