

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

LOCAL YOUNG MEN IN AUTO ACCIDENT

Tom Laughinghouse's Car Badly Damaged. None of the Occupants Hurt Seriously.

An automobile accident occurred at Belhaven last night when a car, belonging to Tom Laughinghouse, dashed through a fence across the road and partially fell through the beams across the Schumaker creek bridge. None of the occupants of the car were seriously injured. The car sustained considerable damage.

According to the most accurate information we have been able to receive, the car was bound for Belhaven at the time, with Tom Laughinghouse, Walter Windley, Dave Carter, Jr., and Mr. Brown in it. The bridge was being repaired and some of the planks had been ripped out. About 100 feet away from the bridge, a fence had been thrown across the road, with a red lantern attached, warning all vehicles not to pass along that route. The car crashed through the fence, knocking it into splinters, and went on for the remaining hundred feet or more, sinking through the beams of the bridge.

PREPARE FOR SAILING OF CHRISTMAS SHIPS

(By United Press)

NEW YORK.—Boxes, bales and bundles of supplies to form the cargo of the American Red Cross Christmas Relief Ship for the benefit of Syrians were arriving at Red Cross Bush Terminal in Brooklyn today—the last day of their availability. The Relief ship is to sail for Beirut, Syria about December 1. The shipment will be chiefly clothing.

Persons who intended to make gifts but delayed too long still have opportunity. On account of the fighting on the Somme immense stores of hospital supplies are needed. Money donations made the Red Cross for these supplies will be applied promptly.
