4-NINETY CLIMBS MT. WILSON

To all Chevrolet Dealers: The Chevrolet Motor Company of Atlanta has just received press clipping from a Los Angeles paper advising that a stock model Four-Ninety Chevrolet climbed Mt. Wilson, sealed in high gear, in thirty-six minutes, the test conducted by an A. A. A. representative—the only car with less than eight cylinders to accomplish the six thousand feet in nine miles.

This is another instance which proves the great power embodied in the Four-Ninety motor.
