Merry Christmas To Everybody

Wm. Bragaw & Company,
First Insurance Agents in Washington, N. C.

Washington, N. C., December 20, 1915.

If Santa Claus visits you this Christmas in a motor car instead of his reindeer sleigh, will there be cause for surprise?

Old Santa is a progressive old gentleman. He never has missed a call for years. Indeed, he is efficient.

You wouldn't be surprised, either, if he selected the Chevrolet "Four-Ninety" as his mode of transportation, would you? For, being efficient, he would naturally choose a vehicle reputed for its efficiency.

The Chevrolet "Four-Ninety" is indeed efficient. Other wise, its unrivalled records of economy, comfort and merit would have been impossible.

You can ride more than twenty-seven miles on a gallon of gasoline in this car.

One man has traveled more than 150,000 miles in his Chevrolet "Four-Ninety" and spent not one cent for repairs. Only last month a stock car of this same model won a speed contest in Yucatan, twenty-one cars of famous European and American makes participating.

The best features of higher-priced cars are embodied in this Chevrolet model. But this is not an imitation. It has many exclusive features of its own.

It is a car of many patents applying to points of refinement far in excess of its popular cost. The Chevrolet is the only car that has a self-lubricating clutch collar, hub-mounted rear wheel bearings, compound steering gear, unit power plant type of construction, and especial brake arrangement.

These exclusive features result in Chevrolet simplicity and efficiency. They help to make the most of every drop of gasoline--of every minute of your enjoyable ride.

Do you see why Santa would want it? Present the kiddies with Santa's car. Step in today and let us help you select your Chevrolet "Four-Ninety" for your Christmas gift.

Yours very truly,
E. G. MALLISON

DEATH OF A. J. BAXTOR

Local Citizen Passed Away After Being Confined to His Bed for Two Years.

Andrew Jackson Baxtor, died at his home on Sunday morning, December 17. He was a native of Virginia and from that state served as a Confederate soldier through the Civil War. He moved to Washington many years ago. He served as night watchman at the A. C. L. depot several years and was faithful to his trust and won many friends by his gentleness and kindness. He was nearly 66 years of age and had been married over fifty years. He had been feeble for two years, and confined to his bed one year, being patient and never complaining. He was a consistent member of the Christian church.

The funeral services were conducted from the home by Rev. C. M. McIntyre Monday afternoon at 3 o'clock. Interment was in Oakdale cemetery. Mr. Baxtor leaves a wife, three daughters and one son who resides in Florida.

PROFESSIONAL FOOTBALL WILL RIVAL BASEBALL

(By United Press)

BOSTON.—Professional football, bringing with it a cluster of old time stars, is due East next fall. Plans are being made here for games, and if the "pros" produce the brand of football they show in the west they probably will be seen in other big cities of the east. The deserted ball parks, with their bleak bleachers, offer an ideal setting for the re-appearance at the ancient pig-skin game of some of the former favorites.

Professional football went like a prairie fire in the middle west this year. Former all-America stars and college captains played to capacity crowds wherever they went.

In the effete East are even more stars of yesteryear than decorate the wild and woolly. Many of them are pining for the discarded mole-skins and cleated shoes. But as yet they have made their appearance only in alumni contests, or, in Boston, as members of the Battery A or I Corps Cadets, in their annual game.

Salaries of \$100 a week and more were paid in the West to stars who were called back, more perhaps by the lure of the gridiron than by the remuneration.

Jim Thorpe, the Indian all-around star, led a team known as the Canton Bulldogs this fall that was a whale. On it played such brilliant performers as Soucy, of Harvard; Ghee, of Dartmouth; Costello, George town; Speers, Dartmouth; Calac, former Indian star, and many others who have attained no little fame at the gridiron game.

"Ernie" Soucy, former Harvard captain and crack end, back from Wisconsin where he's been coaching, is enthusiastic over the prospect and incidentally had a lot to say about Jim Thorpe and his playing which he greatly admires.
