WHAT CHRISTMAS MEANS TO ME
(By Wooden Walker)
Christmas means to me that people should keep the day holy because it is Christ's birthday he was born long ago we have good times Santa Clause comes to see us and brings us nice things he brings us candles and nuts. We have two weeks holiday a week before Christmas and one after. Christmas brings happiness to all we go of Christmas some time, and this is what Christmas means to me.

thank God for letting us be so happy and hope there is not any children that is not happy.
WHAT CHRISTMAS MEANS TO ME
(By Charles Taylor Hoyt)
Christmas day falls on the 25th of December. This being Christ our Savior's birth day—and not many of us look upon this day as we should but we make it a day of gaiety by sending off fire works blowing horns etc.

WHAT CHRISTMAS MEANS TO ME
(By William Darden)
When Jesus was born in the city of Bethlehem The wise men carried him presents and since that time, it has been a great day for giving and receiving. Jesus loves to receive but not such presents as we give our friends. He appreciates gratitude, trust and obedience most. To me Christmas means happiness. We are most happy when we give to others. I love to remember my parents, brother and sisters. Christmas is the time to have good things to eat, and if you want to be happier most, remember those who are poor and needy.

men gave presents to Christ and so it has been the custom ever since I can remember to give presents. I give presents to make other people happy and not to receive presents. Christmas means a lot to me in making other people happy—and showing with others the Christmas spirit.

WHAT CHRISTMAS MEANS TO ME
(By Sallie Cowell)
Christmas falls on December the twenty fifth. Christmas means to me happiness, because it is on Christ's birthday, and because dear old Santa Clause comes on Christmas eve, and because we have two weeks holiday, and because I have nuts and candy and turkey for my dinner, and because I have new toys such as dolls, carriages, skates, tea sets, and doll sets, and because I have a Christmas tree and because it is the time everybody should be happy.

WHAT CHRISTMAS MEANS TO ME
(By Edna Boyd)
One Christmas a little girl went around begging I felt sorry for her and I ask her what she live and she told me. And that Christmas I carry her a presents. I hop the Lord will take carry of that little girl.

WHAT CHRISTMAS MEANS TO ME
(By Beverly Moss)
First of all its Christ's Birthday, and His coming brought peace and pardon. Then I have presented to me many nice presents, which make me feel very grateful to think how people remember me so generously. The next thing is the big Christmas dinner, and I enjoy the privilege of having my family assembled, for dinner. The turkey cranberries and everything good makes a small boy feel mighty big. Just think if the spirit of Peace on earth Good Will to Men really prevailed what Christmas would mean to everyone.

CHRISTMAS.
(By Sallie Rose)
Christmas is the day on which our Savior was born. It comes on the twenty fifth of December. It was on this that darkness was turned into lightness. This is the day that girls and boys have most of their fun. This is the day that we are so happy because we know Santa will come on Christmas eve. We hang our stockings by the chimney with care hoping that Santa will soon be here.

Christmas mean to help the poor people and to be happy and give presents and send things to the orphans and to do your best toward your mother and God.

Christmas means Christ's birthday, and the night before Christmas Santa Clause comes to see us and brings us a lots of pretty toys and a lots of nuts and apples and oranges. And Christmas day we have turkey and nuts grapes and a lots of good thing. And it is a day of happiness to every body. And we have two weeks holiday. And we can give Christmas presents and receive Christmas presents. And it is a lots of fun to me. So that's what Christmas means to me.
