being made at Caswell Beach,
Brunswick County's only beach
resort. C. E. Gause has doubled

the size of his cottage and Mr.
and Mrs. Coleman, beach man-
agers, are building a new dance
pavilion.
A new light plant is also be-
ing installed and power will be
furnished several of the cottages
on the beach.
This is the second year that
Mr. and Mrs. Coleman have been
in charge of the beach.

Four Tank Ships
In A Single Day

Four tankers, loaded with gas-
oline and consigned to Wilming-
ton for distribution over North
Carolina, passed through the
Southport harbor in one day last
week.
One large ship anchored in the
harbor Wednesday night before
continuing her trip up the river
the following morning. Hardly
had she dropped anchor when an-
other huge ship, on her way out
to sea, passed close to the bluff
overlooking the harbor.

Texas seeded ribbon cane gave
good results in Cabarrus county
this season as an ensilage crop.
In one demonstration, the cane
yielded four times as much sil-
age as did corn.

KEROSENE-OPERATED ELECTROLUX
brings MODERN CITY REFRIGERATION
TO RURAL HOMES!
'It's just like the one
my sister has
in her new home
in the city"
NO MATTER where
you live, you can now
enjoy every advantage that
has made Electrolux the
finest refrigerator for city
homes and apartments. This
rural Electrolux operates on
kerosene... brings you per-
fect refrigeration, plenty of
ice cubes, day in and day
out, with practically no at-
tention.
Amazingly Low Cost
to Run!
And just think! A five-gal-
lon filling of kerosene runs
this ideal modern refrigera-
tor for a week or more!
Owners report their Electro-
lux running for little more
than 3¢ a day.
No Moving Parts...
No Water!
The secret of the Electrolux's
famous economy is its utter
simplicity. Electrolux oper-
ates without a single mov-
ing part! The heat from a
wicked glow-type burner
circulates the refrigerant,
which is cooled by ordinary
air. Electrolux uses no water.
Silent, and Saves
on Repairs!
And the simplicity of Elec-
trolux brings you other
advantages! Absence of
moving parts means perma-
nent silence. And it means,
as well, a real saving on re-
pairs, for parts that do not
move cannot wear.
Modern Living
at Its Finest
Picture this modern refrigera-
tor in your home! Amer-
ican women themselves
created its design to bring
sparkling beauty into any
kitchen. And besides per-
fect refrigeration and ice
cubes, Electrolux freezes de-
licious desserts, helps you
make tempting crisp salads.
Now Enjoyed by
500,000
City Families
Remember, the Kerosene
Electrolux is the same in
every important respect as the
beautiful refrigerators now in
use in 500,000 fine city homes
and apartments.
