

**MARRIAGE LICENSES**

During the past week the following couples obtained their marriage licenses from the office of the Brunswick County Register of Deeds: Miss Mary Stuart Cranmer to R. I. Mintz, both of Southport; Miss Margaret Smith, Ash, to Isaac Simmons, Bug Hill; Miss Ettie Moore, Wampee, to John M. Caison, Shallotte; Miss Ressie Robinson to George Whatley, both of Southport.

The Burke County farmers produce market opened at Morganton last week with 15 farms represented by producers who sold \$27.70 worth of surplus produce.

**EPISCOPALIANS IN ANNUAL MEETING**

(Continued from page one.)  
When the question of changing the constitution of the church to make it apply to the new canon was considered, the clergy voted overwhelmingly in favor of the proposed change. However, so many lay delegates were absent that a vote could not be taken and a motion was made to consider this matter on the first day of the convention next year.

The action providing for women vestrymen was said to place the diocese among the comparatively few who have authorized the practice.

The convention marked the 20th anniversary of Bishop Thomas C. Darst as Bishop of the Diocese of Eastern North Carolina. A silver loving cup and a book of remembrance were presented to the bishop. The names of all those who have been confirmed by him were inscribed on the cup and their names were written in the memory book.

In making the presentation, Dr. W. A. Milton, of Wilmington, and Rev. Mr. Ashley, of Edenton, spoke in terms of highest praise of the fine work of Bishop Darst and declared his service as bishop to have been an outstanding contribution to the work of the Episcopal Church in North Carolina.

everyone who helped make the occasion a success. The lunch room was made ready for the show through the cooperation of Reginald Turner, principal of the Shallotte school.

**BIBLE SCHOOL TO BEGIN NEXT WEEK**

(Continued from page 1.)  
The attendance goal on the opening day has been set at 100 and it is hoped that students will attend regularly during the two-weeks session. Certificates will be awarded those attending every day, are not tardy and do their work well.

A committee is planning an outing during the second week of the school for those who have been faithful in their work.

The commencement for the school will be held on Friday night, June 7, and a cordial invitation is extended the public to attend these exercises.

**SHALLOTTE MAN LOCKJAW VICTIM**

(Continued from page 1.)  
death, and little hope had been entertained for his recovery.

Mr. Russ, who was 59 years of age, was widely known throughout the county and in his passing the Shallotte section has lost a valuable citizen.

He is survived by his widow, two brothers, Sheriff J. A. Russ of this county and J. E. Russ, of Rocky Mount. Nine children also survive. They are: Mesdames Neil Holden, Alvin Milligan, Horton Milligan, Mrs. Paul Tripp,

Misses Annie Neil and Lois Brown Russ, Herbert, Clarence and W. L. Russ, Jr., all of Shallotte.

The funeral services were conducted Monday afternoon at the graveside in the Brooks cemetery with the following ministers taking part in the final rites: The Revs. R. N. Fitts, B. R. Page, Robert Carter and A. Huggins.

The funeral was attended by a throng of sorrowing relatives and friends and the floral offerings bore silent testimony to the esteem enjoyed by the deceased.

**Successful Meeting Of Hospital Association Held Here Thursday**

(Continued from page 1.)  
son people developed an unpleasant association with the name hospital. They were looked upon as a place to go to die—not a place to recover from an illness.

**Early Motive**  
Dr. Highsmith said that one of the chief motives for early hospitals was a desire to make money and ideas of commercialism retarded the early growth of the movement in this state. "A hospital is no more a project to make money than a church is," declared Dr. Highsmith.

This speaker said that the record of work now being done by the hospitals has been spread far and wide and he urged those present to do everything possible to interest the public in hospitals. He concluded his remarks by charging his fellow hospital work-

ers to always give their best, assuring them that "you will be blest in the end."

Dr. B. C. Willis, of Rocky Mount, president of the North Carolina Hospital Association, was asked to make a talk on "Present Day Hospitals." He declared that the hospitals of North Carolina are now working in close co-operation and he predicted a bright future for these institutions if they will stand together. He urged those present at the meeting to "help make the people of North Carolina hospital minded."

Dr. Willis made a brief explanation of the plan for group hospital insurance that would give a more equal distribution of the hospital burden. Five per cent of the people now bear this load, while a plan similar to the one practiced in England would allow forty per cent of the people to share in the hospital burden at no great sacrifice to themselves. A committee of North Carolina doctors is now in England studying details of the group insurance program as carried out in that country.

**Facts and Figures**  
Dr. W. S. Rankin, who was the next speaker, continued this discussion and presented interesting facts and figures to emphasize

the influence such a system would have on hospitalization in North Carolina.

Newton Fisher, of Wilmington, was called upon by Toastmaster Hood for a discussion of the "Harm or Good The State Legislature Did Hospitals During its Last Session." Mr. Fisher gave a brief outline of a bill which will provide some reimbursement to hospitals in the case of automobile accidents.

M. E. Winston, of Raleigh, secretary of the Hospital Association, was asked to explain "How to Get Government Aid for Hospitals." He told of efforts that have been made to secure a loan for the erection of a new building for Rex hospital in Raleigh. He declared that he would be better able to give information for the securing of a government grant when his hospital shall have received funds for which they have made application.

**Appoints Committee**  
Dr. Willis, Mr. Fisher and Mr. Winston were appointed by Toastmaster Hood as a committee to determine the time and place of the next meeting of the association.

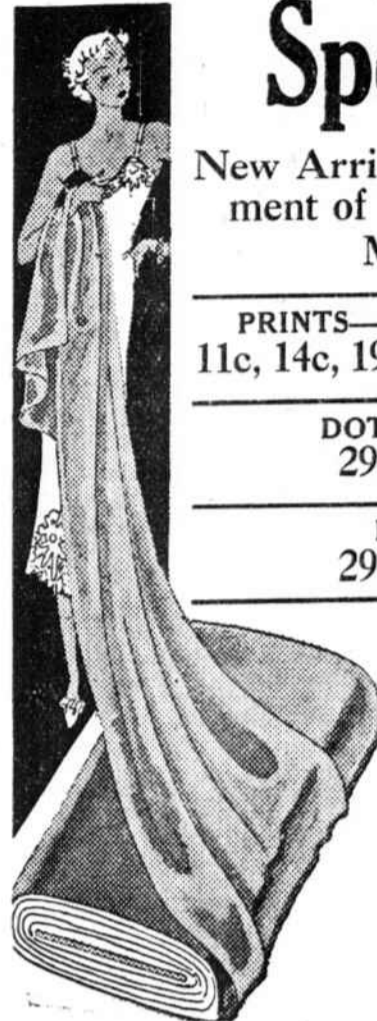

There were fitting expressions of appreciation to members of the Brunswick County Hospital Auxiliary for their splendid co-

operation in making the meeting a success and, upon the motion of F. V. Altvater, of Duke University, a rising vote of thanks was extended these ladies and members of the staff of the Brunswick County Hospital for their fine hospitality.

**Busy Day**  
The evening program came as a climax of a busy half-day. At

2:30 o'clock members of the association and many others were invited to attend with the showing of the sound "The Trail of the Circuit Rider" at the Amuzu Theatre. Later in the afternoon, visitors were invited for a motor boat ride on harbor in the Q-13, quarter boarding boat. The supper followed at 6:30 o'clock.
