Get Rid of Malaria!

Banish Chills and Fever!

To conquer Malaria, you must do two things. (1) Destroy the infection in the blood. (2) Build up the blood to overcome the effects and to fortify against further attack. There is one medicine that does these two things and that is Grove's Tasteless Chill Tonic! The tasteless quinine in Grove's Tasteless Chill Tonic destroys the malarial infection in the blood while the iron builds up the blood. Thousands of people have conquered Malaria with the aid of Grove's Tasteless Chill Tonic. In addition to being a noted remedy for Malaria, it is also an excellent tonic of general use. Grove's Tasteless Chill Tonic is pleasant to take and contains nothing harmful. Even children like it and they can take it safely. For sale by all drug stores. Now two sizes—50c and \$1. The \$1 size contains 2½ times as much as the 50c size and gives you 25% more for your money.
