

CLASSES ORGANIZE AT LELAND HIGH

Good Prospects For Successful Year At Leland High School

Total Of 278 Students Enrolled In Grammar Grades; High School Enrollment For Year Is 99

CLOSE COOPERATION MARKS SCHOOL WORK

Complete List Of Officers Elected By The 4 High School Classes Is Given On This School Page

By H. D. Epting, Principal
The Leland high school is starting out this year with 278 pupils in the grammar school and 99 in the high school. So far, the outlook is rather bright for another successful year.

The pupils, teachers, and the community are understanding each other better and better every day. Our hope is this: that we have a good smooth-running school in Leland. We are not anxious to have fame and glory, nor shall the march of the world find our school bringing up the rear. We live our lives in a clean, simple manner; offering instruction in the school so tomorrow will find the young people more able to face the battles of life than today.

We have our ups and downs, but after we go down we always go up higher than we were. After all is said and done when the rest of the world is headed for the "Last Round Up," the Leland high school and the Leland community will have played the part that they were supposed to play.

Organization meetings of each of the four high school classes have been held and the following officers elected:

The eighth grade officers are: President, Loyd Bordeaux; Vice-president, Ray Brew; Secretary, Betty Brew Chinnis; Treasurer, Clifford Clark.

The ninth grade officers are: President, Veneta Adams; vice-president, Mabel Woodbury; secretary, Doris Russ.

The tenth grade officers are: President, Linwood Peterson, Vice-president, Paul Gainey; Secretary, Margaret Lowe; Treasurer, Madeline Floyd.

The eleventh grade officers are: President, Billy Paden; Vice-President, Walter Sessoms; Secretary, Theo Ennis; Treasurer, Horace Scott.

SECOND ISSUE OF THE SCHOOL PAGE

This marks the second appearance of the school page as a feature of The State Port Pilot. In this issue we have tried to bring you interesting news about the Leland high school, its students, teachers and organizations.

Principal H. D. Epting gave us his full co-operation in making this page possible this week.

The school page next week will be at the disposal of the Shallotte high school. Other white schools in the county will have charge of the page in their alphabetical order and the plan will be continued in regular rotation throughout the year. In this manner we hope to be able to give proper recognition to the students and their parents for their efforts in their school work—Editor.

Leland P.-T. A. Is Very Active

Officers Have Been Elected And Two Regular Meetings Held; Lunch Room Has Been Completed And Is Ready For Use

The second regular meeting of the Leland Parent-Teacher Association was held Monday night at the school auditorium and at that time the committee in charge of the lunch room project reported that the building had been completed and is ready for use.

Members of the association are planning to serve hot lunches to the children at a very nominal charge. This is being done in order that the lunch room may be on a self-sustaining basis.

During the business session members voted to appropriate the sum of \$50.00 for the use of the school library, the first aid supplies and athletic equipment.

The program for the evening was under the direction of Miss Eva Bowden, English teacher, who presented a playlet showing the value of reading good books and magazines.

Mrs. L. H. Reynolds is president of the Parent-Teachers Association; W. L. Paden is vice-president; C. A. Watts is secretary; and Dan Willetts is treasurer.

Mrs. Lazelle Northrop who taught last year at the Leland school is living at her home in Wadesboro. She is not teaching this year.

Mrs. U. L. Rourk is postmistress at Leland.

Boys Turn From Baseball Games To Basketball

Leland Divided Two Fall Baseball Games With Bolivia, Losing There And Winning On Home Grounds

GETTING READY FOR BASKETBALL

Courts Being Made Ready For Early Practice And Money Appropriated For Purchase Of Equipment

Recently the boys of the Leland high school met to organize a boys' athletic association. Paul Gainey was unanimously elected as manager for the 1935-36 term. After some discussion the members voted to make their membership dues 35 cent each. It was also voted that the manager of the association give to the coach funds for the purchase of certain basketball supplies.

The girls of the high school unanimously elected Mary Alma Child as manager of the Leland high school girls' athletic association for the 1935-36 term. The girls voted the membership dues to be the same as that of the boys. The girls also purchasing basketball supplies.

During the first month of school the boys played baseball. They played two games with Bolivia, losing there 11-3 and winning here 12-2. The prospects for a baseball team at Leland next spring are not bad. The pitching staff is good. The boys need practice on base running, however.

This week the boys have been making some changes in their basketball courts. They are putting up some new back boards and a new set of goals. They hope to be ready to start basketball practice by next week.

The outstanding prospective players are: Paul Gainey, Penn Clark, Ed Brew, Horace Scott, Walter Sessoms, William Hollis, James Hollis, Ellie Gainey, Emerson Benton, John Medlin, Linwood Peterson, Dorice King, Ray

HELP YOUR SCHOOL

Fifty-cents of every subscription to The State Port Pilot sold this week by Leland school students will go for the benefit of some school organization.

A year's paid-in-advance subscription to The Pilot will extend through the coming political campaign and general election and this newspaper will keep you in close touch with the affairs of your county.

In addition, the school page is to be a regular feature throughout the school year and Leland will have the page every fifth week.

Sample copies of this issue of The Pilot are being distributed by Leland school students. Read the paper carefully and decide for yourself whether it is worth the subscription price of \$1.50 per year.
