SUPPLY NEWS

Sellers-Kerman
Mr. Grover M. Sellers, of Supply, and Miss Elizabeth Kerman, of Wilmington, made a trip to Southport Saturday night, January 4th, and were happily married by R. E. Sentelle.

Friends of Mr. and Mrs. Wyman Joyce will be sorry to learn their infant son is very ill at this writing.

Hog killing seems to be the order of the day around here now.

Mr. R. M. Stanley and son, Alfred, made a business trip to Bolivia this week.

Mr. and Mrs. Harry Robinson made a business trip to Wilmington Saturday.

The chief reason for growing timber on the farm is to get a profit from portions otherwise unproductive.

Waccamaw Basketball Teams Making Fine Record This Year

Girls Have Made Clean Sweep Of All Games Played So Far This Season; Boys Scored Victory Over The Southport Five

The Waccamaw basketball teams have played three games so far in the county schedule, meeting Bolivia, Leland and Southport in the order named. Of these games the boys have won one, against Southport, and lost two, to Bolivia and Leland. The game against Leland was hotly contested, requiring two extra periods, and being won by Leland by a point score. The girls' team has won all games played.

A resume of the games follows:

Waccamaw-Bolivia
Bolivia brought a strong club of both boys and girls to Waccamaw on December 18th. They came with the intention of carrying victory back with them. The boys were able to do this, for the Waccamaw boys seemed to have an "off" night. The visitors were able to find the basket often enough to win by a score of 23-13.

With the girls it was a different story. The Bolivia girls, last year's champions, thought to continue the winning streak. But the Waccamaw girls simply would not be beaten. They turned the visitors back to the tune of 23-15.

Waccamaw-Leland
The boys' game with Leland, played December 18, was a very hard fought contest. It was nip and tuck with the two teams all the way through the game. The end of the fourth quarter found the teams tied. It was decided to play an extra 3-minute period, at the end of this period the score was tied again. Another three-minute period was decided on. Leland had just the extra punch needed and won by the score of 18-15.

The girls had no difficulty in winning their game by the score of 32-16.

Waccamaw Southport
The game between the Waccamaw and Southport boys was perhaps the best game played on the local floor this season. Both teams seemed to be in fine shape and inspired with the will to win. The game was fast and clean. The Southport club was perhaps the more accurate in shooting, but they were so closely guarded that their chances at the basket were somewhat limited. It was anybody's game until the final whistle blew. The Waccamaw club managed to heave in one more basket in the last minute of play to win by the score of 20-18.

The Waccamaw girls continued their series of stellar performances to overwhelm Southport by the rather large score of 38-9. The dropping of the ball into Waccamaw's goal became almost monotonous.

One of Southport's key players, Ledford, was hurt early in the game by crashing into a post, but returned to the line-up later in the game. However, it was felt that this accident upset the Southport aggregation, causing them to make a poorer showing than they should have.

Coaches Morgan and Lennon have done excellent work with the Waccamaw teams this year. Both teams lost excellent players by graduation at the end of last year, but new material has been added to each club and much improvement is evident since the first of the year.

The boys had a bit of hard luck at the beginning of the season, but have improved much of late. Coach Morgan has made some shifts in the line-up to secure a better working organization.

The girls club, under the direction of Miss Lennon, has an unbroken record of victories. The girls intend to keep the record unbroken.

Successful Play Given Last Month By Senior Class

"A Ready Made Family" Was Presented In High School Auditorium Before The Christmas Holidays

PRODUCTION WAS WELL RECEIVED

Plans Were Made To Give It Over But Illness Of Two Members Of Cast Made This Impossible

A play, "A Ready-Made Family," was presented by members of the Senior Class on Saturday evening, December 14, at the Waccamaw school. The play was a comedy of modern life, showing what may happen when a widow with children marries a widow with children, neither knowing anything of the other's family.

The play was well received by the audience, and all members of the cast were congratulated on their acting.

Members of the cast were as follows:

Agnes Martyn; Pauline Ward; Bob, her son; Jack Dodson; Marilee and Gracie, her daughters;

Paint Interior Of The Gymnasium

The interior of the Waccamaw gymnasium has been much improved recently by painting a large part of it white. The interior in natural color woods, which tended to throw light rather than reflecting it.

Principal B. M. Crawford suggested that if the interior were painted white it would greatly enhance the lighting and improve its appearance. This was accordingly done. The result is very gratifying to all who use the building.

Dessie Edwards and Marion Jenrette; Miss Lydia, her sister-in-law; Leola Simmons; Henry Turner, a widow; Herman Long; Doris and Sammie, his children; Emma Norris and Philip Dodson; Begonia, the colored cook; Dorothy Grey; Nicodemus, the handy man; Leighton Stanley. The play was directed by Mr. John Farrior, the senior sponsor.

It is the custom for the senior class to utilize the money made from the plays and other sources in making a gift, or gifts to the school. The school already possesses several valuable and useful articles which have been donated by former classes.

Because of popular request it was planned to give a return performance of the play on January 2, but owing to the illness of two members of the cast it was impossible to do so.

Literary Society Officers Elected

At Meeting On January 3 Officers To Serve During Second Semester Of School Year Were Elected

At the last meeting of the Sappho Literary society on January 3, new officers were elected to serve during the second semester.

The following new officers were elected: Philip Dodson, president, Herman Long, vice-presi-

dent, Elsie Avert, secretary, James Foy Bennett, critic, Roscoe Robbins, censor and Elsie Bennett, chaplain.

This society meets every Friday. Some very interesting programs have been given, and keen interest in society work has been manifested by the students. This work is felt to be a valuable element in the life of the school.

Miss Roxanna Williams, Cumberland county will start acres of pines under management as the result of a thinning demonstration given in the county by the Extension Forester.

WHAT OF 1936?

Let us Plan Rather than Prophecy

A new year is about to begin, which all of us hope will bring further improvement in business conditions.

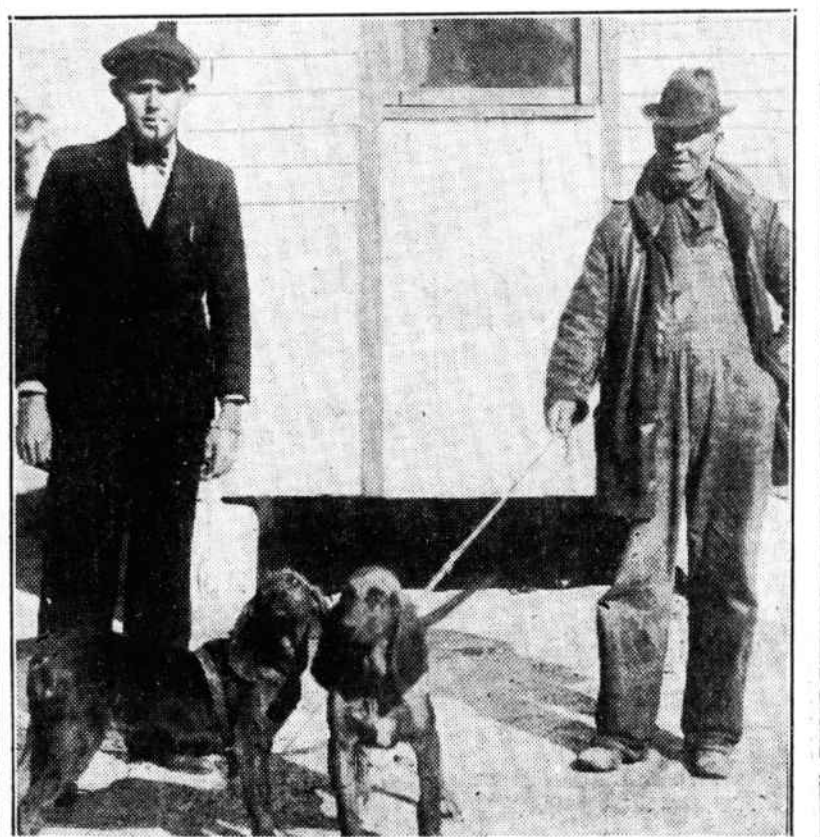

None of us can know, of course, whether there are storms or fair winds ahead. But we can resolve to hold to a steady course, guided by sound principles, whatever may come.

This is the attitude taken by the directors and officers of this bank. We shall be conservative, but always constructive in our efforts to benefit and protect those we serve.

We appreciate the patronage you have given us in the past year, and hope that our facilities may be an aid to your progress in the year just starting. We extend our best wishes for your success and happiness.

These Hounds To Be Used In Running Down Fugitives

BEING TRAINED—These husky looking hounds shown here with their owners and trainers, James Lennon and A. S. Sasser, will be bad news for fugitives from justice in Columbus county in the future. They are now being trained out at the prison camp for the purpose of tracking down criminals.

BOY'S TONGUE IS FROZEN TO WHEEL

Down Gapway lane, they play some funny tricks sometime. Some of them are very, very unusual.

Tuesday morning Pete Watson, well-known farmer of that area, told Junior, the 18-year-old son of Mr. and Mrs. Laban Carmichael, that if he stuck his tongue to a frosted wagon tire it would freeze there.

Disbelieving the statement, young Carmichael promptly stuck his tongue to the steel, and it promptly froze to it. Only after Mr. Watson had poured hot water over the frozen member, was it dislodged from the wagon tire.

More than 126,000,000 lb. of soil at a loss of more than \$200,000,000 is removed annually by erosion.

FINDS ODD DUCK AMONG CHICKENS

One day recently when J. A. Pierce, who lives in the Nakina section of the county, went out to feed his chickens, he found an ugly duckling among them.

Closer examination disclosed that it was a canvass back duck, a specie unknown in this section. The stranger lingered in the chicken yard among the poultry for more than two hours, finally becoming frightened by one of Mr. Pierce's dogs, and flew away.

Mr. Pierce remains at a loss to explain the appearance of the strange duck, one of the rarest of the duck family, among his chicks.

Winds carried \$25,000,000 worth of fertile soil from Texas to Nebraska in one year.
