MILL BRANCH

Corn farmers of this section welcome the good showers of last week. There are some very fine corn crops this year. Dave Johnson, from Fayetteville, visited relatives here last week. This was Mr. Johnson's first trip to Brunswick county in 39 years. Mr. Johnson says there have been quite a lot of improvements made in here in that length of time. Mrs. Edward Memory, Whiteville, spent several days here last week visiting Mrs. Perry Mintz.

Mr. and Mrs. Charlie Evans, of Bladenboro, spent the week-end here with relatives. Henry Mintz is visiting his brother, Carl Mintz, who is stationed at Fort Bragg. Mrs. Fred Allen is able to be up again after being confined to her bed for some time. A. W. Bradshaw and LeGrand Redwine were visitors in this section Sunday.

Tobacco Crop Widely Varied

Elemental conditions this year have caused the greatest variation in this tobacco crop this year than for quite a while. Many farmers have barely started harvesting their crop, while others have been curing for almost six weeks. Many farmers are this week burning the tips in their fields. The farmers encountered considerable difficulty this year in getting a stand.

There were 647 four-H club girls and boys registered for the annual 4-H club short course at State College, July 22 to 27. Club leaders and other interested persons brought the enrollment to over 700.
