ADAMSON'S ADVENTURES

Rubber!

By O. JACOBSSON

Our Pet Peeve—

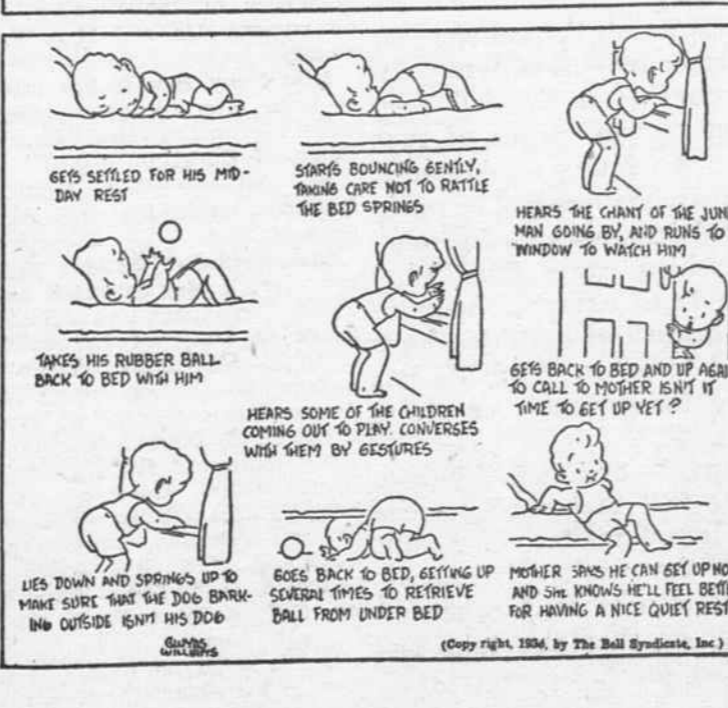

Not Much Required
"I'd like a job with you, sir," said a man to the foreman in a factory, says Ireland's Own. "Well, I don't know; there isn't much doing just at present. I don't think I could keep you busy," said the foreman. "Indeed, sir," answered the applicant in a reassuring tone, "it will take very little to keep me busy."

Seaside Entertainment
Bobby (at the seaside)—When is high tide?
Old Salt—Five-fifty-five. I've told you a dozen times already!
Bobby—I know, but I like to see your whiskers waggle when you say five-fifty-five.

Helpful
"What was that man giving the elephant to drink?"
"Camphor."
"Why camphor?"
"To keep the moths out of his trunk."

REST HOUR

OF INTEREST TO THE HOUSEWIFE

Add a tablespoon of cream to roast beef or lamb gravy. It makes it a delicious brown.

Some folks use a small, round goldfish bowl with a small opening at the tip as a spatter-proof place to whip cream, beat eggs, etc.

Drain all juices from fruits or vegetables used for salads before arranging them on the plates. Placing the food in a colander for five minutes is a good idea as then all juices will drain out quickly.

Place a glass pie plate over the top of the kettle when making a stew. The stew may then be watched while cooking without lifting the cover or allowing steam to escape.

Do not wash art muslin curtains in warm water. Make a lather with hot water and when it is nearly cold wash the curtains. If the muslin is green add a little vinegar to the water in which they are washed; if lilac or pink add a little ammonia.

Pattern 1889-B

There is nothing smarter for cool summer wear than silk linen, novelty crepe, dotted swiss, or printed silks, especially when fashioned into a slim and trim model like this stunning design. Who isn't excited about the new wider shoulder width that tends to slenderize the waistline and a pattern that goes together as quickly as a slide fastener. Note the unusual bodice lines, the panel extending to the hem, and the kick pleats that contribute dash and ease. The natty turn-down collar affords versatility and this is where your discriminating taste becomes apparent. It's an opportunity to show the "earmarks" of your creative ingenuity and personality. The cost is small, yardage scant, the effect superb, and sewing simple. Send for this gorgeous frock now.

Barbara Bell Pattern No. 1889-B is available for sizes: 14, 16, 18, 20; 40 and 42. Size 16 requires 4 1-8 yards of 39-inch material. Send 15 cents in coins. Send for the Summer Pattern Book containing 100 Barbara Bell

Iron the Easy Way
with the GENUINE INSTANT LIGHTING
Coleman
SELF-HEATING
IRON

The Coleman is a genuine instant lighting iron. All you have to do is turn a valve, strike a match and it lights instantly. You don't have to insert the match inside the iron—no burned fingers. The Coleman heats in a jiffy; is quickly ready for use. Entire ironing surface is heated with point the hottest. Maintaining its heat even for the fast worker. Entirely self-heating. Operates for 1 1/2 an hour. You do your ironing with less effort, in one-third less time. Be sure your next iron is the genuine Instant-Lighting Coleman. It's the iron every woman wants. It's a wonderful time and labor saver—nothing like it. The Coleman is the easy way to iron.
