"Wake Up And Live" And "Romeo And Juliet" Coming To Carolina

"Wake Up And Live," which opens Thursday at the Carolina theatre, with Walter Winchell, Ben Bernie and Alice Faye in the featured roles, is said to be the sweetest, hottest, most glamorous and glorious musical ever turned out by that studio.

Eclipsing even such swiftest musicals as "On the Avenue," "One in a Million," and "Sing Baby Sing" this new film musical brings the famed Winchell-Bernie feud to the screen in an eye-filling production that lays strong claim to being the hotchpot of them all.

NEXT WEEK

Romeo and Juliet, the greatest love story in all English literature, comes Monday to the Carolina theatre, Norma Shearer and Leslie Howard, two of film's brightest stars, are cast in the title roles.

This picture is a sure-fire attraction for lovers of great literature as well as for entertainment seekers.

Don't miss this picture that everyone will be talking about for months to come.

camp. The present total enrollment is 173 men.

SAILING UP

Capt. Lambert Knight, of Vineyard Haven, Mass., made Southport an overnight stop Sunday. He was sailing up from Miami to his home and was making good time on his little craft. By a coincidence a larger motor-sailor, with the same name, out from New York, spent the same night here.

IN CHARLOTTE

OIL BURNING

SUPERFEX REFRIGERATOR

Saves Miles of Steps

Makes ice, keeps foods cold—right in your kitchen! Sold on easy terms

MODERN refrigeration with kerosene—at an operating cost of only ten dollars a year! Perishable foods kept safe and appetizing, all through the hottest weather, without electricity, without connections of any kind, without those miles of steps to cellar, cave or well.

The remarkable economy of this oil burning refrigerator is due to the exclusive Super-Condenser top and the specially designed burners which go out automatically after doing their day's work in only two hours. There is no constant flame.

The SUPERFEX Oil Burning Refrigerator is made by Perfection Stove Company, scientifically designed for permanent satisfaction. The refrigerating unit is both air- and water-cooled, yet needs no running water. It has been proved by nine years of satisfactory service in thousands of farm homes. We offer you a free demonstration in your own kitchen.
