**Julian C. Fulton Is A Tobaccoist With Experience In All Branches Of The Tobacco Business**

A veteran warehouseman and buyer, Julian C. Fulton, is sales supervisor and statistician on the Tabor City tobacco market this season. Formerly of Greensboro, Mr. Fulton has had many years of experience in both foreign and

domestic ends of the tobacco industry. He brings to the Tabor City market a thorough knowledge of tobacco and methods. Farmers will find Fulton ready at all times to assist them in marketing tobacco to the best advantage. No better recommendation of his value to the Tabor City market can be found than his during the early weeks of the marketing season. Sales that have reached a new high for the Tabor market reflect his tireless energy and ability as a hustling tobacco man.

**Co-operation Is Key To Success**

And This Is An Axiom That Is Well Known To Merchants And Businessmen Of Tabor City, For They Pull Together

Cooperation is the one-word explanation for the progressive spirit that permeates the very atmosphere at Tabor City. Without the fullest support and backing of every civic organization of the town, the greatly diversified business life would be well nigh impossible.

On regular meeting nights in the office of the Tabor City Chamber of Commerce may be found a group of serious-minded men gathered together with the various committees. Many a constructive idea is analysed and plans for the betterment of the town and community are formulated. Every organization and class of business is represented and every effort leans to the common cause of the entire population. This office is efficiently presided over by G. L. Dorman as president, and G. Garland Fowler as secretary-treasurer. The Rotary Club, headed by the amiable R. B. Mallard, is a big factor in the success of the civic and business life of the community.

M. A. Rhyne and Dock C. Kiser have secured good results from sub-soling experiments on their Gaston County farms.

**City Officials Very Progressive**

Mayor R. C. Harrelson And The Members Of The Board Of Town Commissioners Have Foresight And Confidence

A wide-awake mayor who is backed up by a progressive group of town commissioners is the reason that Tabor City has gained the reputation for being the fastest growing town in this section. The municipal government is well placed in the hands of R. C. Harrelson, mayor, J. A. Bell, clerk and treasurer, and R. B. Mallard, attorney. The board of commissioners is composed of W. F. Cox, C. C. Soles and I. P. Shelly. These gentlemen have made wonderful strides in making Tabor City one of the model towns of its size in the State. At the present time is a new sewage disposal plant is nearing completion and State health authorities are already pointing with pride to the healthy condition of Tabor City and the community.

Moreover, as a result of a successful bond election held in June \$25,000.00 soon will be spent for municipal improvements. Of this amount, \$5,000.00 will be spent for the extension of the city water mains. The remaining \$20,000.00 will be used for the construction of a new city hall, including a place to house the fire truck; street improvements and for the extension of the sewer system.

**ON THE NOSE**  
ROCHESTER, N. Y.—Patiently George Millham, 23, coached Miss Eleanor Kramer, 20, in the fine art of swinging a golf club.

Finally, George stepped away—to the front.

Keeping her eye on the ball just as she had been told, Miss Kramer swung at the pellet. George went to a hospital with a fractured nose.
