## OPERATE WAREHOUSE

**TOBACCONISTS**—Roscoe Coleman left, and Alton Garrell, right, together with a well-trained corps of tobacco warehousemen, are in charge of the New Farmers Warehouse. This house is the newest and most modern in town, and the tobacco farmers have been highly pleased with the prices paid them there this season.

### CASH PRIZES FOR TOBACCO FARMERS AT TABOR CITY

(Continued from page one)  
Tickets are issued at the pay-off windows of all three warehouses. For every \$25.00 worth of tobacco sold the farmer receives one ticket showing a duplicate number. He deposits one half the ticket in a box provided for same at the pay-off window, keeping the stub until the time of the drawing. The actual drawing takes place each Wednesday at 12:30 P. M., at a convenient and public place in town.

The \$100.00 is distributed as follows: First prize, \$50; 2nd prize, \$20.00; third prize, fourth, fifth, sixth, seventh and eighth prizes of \$5.00 each. Drawings are made by some disinterested person who is not eligible to share in the prizes.

It is said by the local warehousemen that Tabor City is prepared to handle one-third more tobacco than last year. Reports coming in indicate that the crop as a whole in the Tabor City area is of excellent quality and keen competition is expected.

The prospects are very indeed for the biggest and season Tabor City has ever experienced. A full slate of buyers representing all the companies, as well as the important independent market has been completed.

### TOBACCONISTS IN TABOR CITY ARE HIGH TYPE

(Continued from page one)  
for years. They are men number their friends and acquaintances by the thousands. No man has been left undone by live-wire tobacco merchants. They are sure the tobacco grower of this area tops in every thing. He gets the market price; service and accommodation; courtesy and politeness and above all—loyalty and sincerity to satisfy.

Him: "Well, I suppose I'm plenty angry because I came home with this black eye last night."

Her (sweetly): "Not so dear. You may not remember, but when you came home you didn't have that black eye."

## NEW FARMERS WAREHOUSE

**MODERN**—Newest and most modern warehouse in Tabor City is the New Farmers, which is operated by Alton Garrell and Roscoe Coleman.
