The Mayor is a member of t Miss Helen Fulcher, of Southport, state-wide committee of municipal officials who will assist in the survey, and has been appointed chairman of a local administrative committee.

City Clerk S. W. Watts has been appointed secretary of the administrative committee, the Mayor said. Members of the committees were named by Mayor E. Douglas, of Charlotte, president of the League of Municipalities.

Members of the local administrative committee, in addition to the mayor and the city clerk, are: E. R. Weeks, W. R. Lewis, Robert W. Davis, Attorneey and H.

The work of the WPA-League project here will be under the local administrative committee's supervision.

One to six WPA research workers will begin collection of information here sometime soon, the Mayor said. The work will continue for several months.

Research workers will transfer information from city records to a 150- page schedule of forms which covers every phase of municipal government. Tabulations and analysis of data will be made by the project's staff of exports at

Raleign and Chapel Hill. Each municipality, the Mayor said he had been informed, will be thoroughly studied by the survey workers. Data will be collected and analyzed on points of personnel and of the powers, duties, program: Theme: "The Trum- and limitations of officials.
