

Bolivia Club Women Meet

The Bolivia Home Demonstration Club met with Mrs. Troy D. Ford, Monday, April 11th. Mrs. Carl Ward, president, led the collect. Reports were given by the secretary and treasurer. Announcements were made of the spring federation meeting, April 14th, electrification meeting on April 17th and Flower Show, on April 27th. Mrs. Ward presented "Cancer Campaign" literature.

Mrs. Foster Mintz and Mrs. Marion S. Doshier gave the lesson, "Selecting Becoming Lines and Colors." During the social hour Mrs. B. M. Hornsby directed several contests and the hostess served delicious strawberry shortcake with whipped cream.

Mrs. Purvis Is Hostess To Club

On Wednesday afternoon, April 12, the Ash Home Demonstration club met at the home of Mrs. Jesse Purvis for the regular monthly meeting. Mrs. Z. G. Ray, club president, presided. At the close of the business session, the meeting was turned over to Miss Louise Adams, local clothing leader, who gave the lesson; "Selecting becoming lines and Colors." Miss Adams gave many interesting and helpful ideas as to the selection of the individual spring wardrobe. She discussed in detail proper lines and colors that are flattering to particular types. She stressed the influence that proper accessories have on your costume. Mrs. Marion S. Doshier, home demonstration agent, ex-

plained about "Entries for Flower Show" to be held in Southport Thursday, April 27. She extended a cordial invitation to all club members.

The recreational leader sponsored an interesting flower contest.

The hostess served a refreshing drink to the following guests: Mrs. Doshier, Mrs. Ray, Miss Adams, Mrs. Purvis, Mrs. Clyde Long and Mrs. James Purvis.

Final Meet For Bolivia P. T. A.

The Bolivia Parent-Teachers Association will hold its final meeting of the year Thursday night, April 20, in the school auditorium. The general topic is "Mental and Physical Health" and the following program is planned:

EDUCATION DAY
Educational day will be observed by all the colored schools in the county this week in two sections. The first part will be held at the Chapel Road school, with E. O. Gandy as host principal. Thursday, April 20. Second part at Southport school, with A. C. Caviness host principal, Friday, April 21. There will be oratorical and musical contests between schools, exhibits and programs on units of work, field and track events.

WAR NOT IMMINENT STEAGALL ADVISES GROUP 6 BANKERS
(Continued from page 1) share in the profits.

He asserted the acts were part of banking and currency reforms achieved over the stubborn opposition of high banking and financial officials who predicted dire and distressful results would follow passage of such legislation, but it was an "expansion measure," he said, "and put elasticity into the banking structure of the nation."

Another Strange Story Of Bald Head Island Reported

(Continued from page 1) about half hour, always at intervals and repeating the same number of counts. Our paper showed the following figures: 3-56-3-10-7-11-5-7. "After studying the figures, we found we had: CEL-56-3-10-7-KEG. "Exploring the cellar we found 56 sills, entering by the third window, 10 feet from said window under the seventh sill, we found a small hole in the ground, about five inches in diameter.

"Securing two old shovels in the barn we began to dig. We uncovered a decayed top of something made of board. Our ambition was increased now and we got down to earnest digging. After digging about four feet in the ground we struck a large rock. We pried the rock out of the hole, only to find a large barrel. We continued to dig in the decayed barrel, throwing out barrel with dirt and mud. Inside this barrel was a small keg with a smaller rock for its top. Digging out the keg we found a rusty can of about 2-quart size. Ah! we had found a treasure, we were rich!

"Eagerly taking hold of the can we discovered to our amazement we had dug down to the muddy brine of the underground water. The bottom of the can had decayed long since and the mud and water had claimed the contents of the can, keg and

barrel, whatever it might have been.

"After resting and brooding over our lost treasure we covered the hole up, but the rocks still remain on the outside, if someone has not moved them within the last year.

"We spent the rest of the week over in the hotel without being disturbed by the 'tapping.' I have never known of the tapping to be heard since our discovery, but I can prove it had been heard before by one of the caretakers who used to live in the old hotel."

SOLICITOR ASKS FOR A SPECIAL TERM OF COURT

(Continued from page 1) tion charging Tilghman Blackman with removing crops & a no trespass. When the paper went to press last Wednesday the case against Floyd Evans, colored, charged with making an assault with a deadly weapon with intent to kill had just been decided against the defendant, who received the maximum sentence of 10 years.

Willie Chesnut was given 6 months for breaking and entering and larceny. Court adjourned Wednesday without taking up any civil actions other than the divorce proceeding reported last week.

MUCH INTEREST IN LONG BEACH

(Continued from page 1) ings touches. Finishing touches were also being put to one of the mens dressing room buildings that contains 26 rooms. Like buildings will also be constructed for ladies.

One three-room cottage has been built by the corporation and others will be constructed as soon as possible. In addition it is understood that several purchasers of lots are planning to build and furnish cottages for themselves and for rent.

For a hundred years or more the property has been known as Long Beach. From the Fort Caswell property a total of 12 miles of beautiful bathing beach extends to Lockwoods Folly. Some three and a half miles of this beach is owned by the Carolina Lands, Inc., which has a total holding there of approximately five thousand acres.

Few Changes Made In School Committeemen

(Continued from page one) of re-electing teachers for next year. A new law of the state legislature makes it mandatory for teachers to be notified of their status before school adjourns for the year.

MUSICAL RECITAL FRIDAY NIGHT

(Continued from Page 1) thy— Louise Evans; "Memories of Other Days"— glee club; "Home Sweet Home"— Mary Garner; Edelweiss Glide"— Het-tie Fisher Willetts; "Minute in G"— Louise and Esther M. Evans; "Alpine Glow"— Elizabeth Lewis; "Twilight Reverie"— Annie Lide Gilbert; "Cujus Animam"— Juanita Cannon.

NUMEROUS CASES IN COUNTY COURT

(Continued from page 1) required to pay restitution amounting to \$38.96. Allen James, colored, pleaded guilty to assault and was given 90 days, this judgment being suspended upon payment of \$10.00 and costs.

Harry Sneed, colored, was found guilty of assault and was given 4 months, judgment being suspended upon payment of \$40. and costs.

Richard M. Williams, white, was found not guilty of reckless operation.

Lillie Bland, colored, was given 4 months when found guilty of possession for purpose of sale. Judgment was suspended upon payment of \$50.00 and the costs.

Lacy Jacobs, white, was found guilty of drunk driving while operating without a driver's license, that previously had been revoked, and with no license tag on his automobile. He was given

8 months on the roads.

David Wilson, colored, pleaded guilty to charges of fornication and adultery and was given 18 months on the roads.

Annie Bryant, colored, pleaded guilty on a similar charge and was given 90 days, this judgment being suspended upon payment of a fine of \$25.00 and costs.

MINTZ C. M. T. C. COUNTY OFFICER

(Continued From Page 1.) apply to the County Chairman of the Military Training Camps Association. The County Chairman will furnish application blanks and the names of doctors who will give the medical examination without charge. There are 4 vacancies for enrollment in the Citizens Military Training Camp for Brunswick County.

SALISBURY LAWYER KILLED IN MISHAP

(Continued from page 1) the time of the accident. The coroner's inquest was scheduled for Tuesday night at 7:30 o'clock but the hearing was postponed for one week because of the inability of one of the important witnesses to attend.

P. T. A. COUNCIL HOLDS MEETING

(Continued from page one) maw debating team a lovely silver loving cup. The Bolivia glee club sang several numbers after which a delightful informal reception was held. Mesdames Frank Mintz, F. W. Taylor, Foster Mintz and Miss Julia Taylor served punch and cake.

CLUB FEDERATION MEETS AT LELAND

(Continued from page one) Mr. Kimrey, from State College, spoke on "The Value of Milk in the Diet." He said in part: "Milk is the only food that cannot be eliminated from the diet. No great nation ever developed without being great cow-keeping and milk consuming nations. A total of 85,000 farm families in North Carolina are without milk cows. Milk develops and protects the body. T. B. is largely due to lack of milk in childhood. Milk is a perfect protein. The four great classes of food are: Milk and its products, leafy vegetables, eggs, raw fruits and raw vegetables." Mrs. Estelle Smith, district agent, brought greetings and introduced Mrs. Sewell, of London, England. Mrs. Sewell spoke of conditions in England and suggested that all English speaking

people, "form an "International Farmer's Union." Mrs. Frank Mintz, Mrs. Foster Mintz and Mrs. Ethnis Robinson sang: "When The Clouds Roll By." The Leland club gave a drill and song. The meeting adjourned after singing "Blest Be The Tie."

FINALS BEGIN AT TRAINING SCHOOL

(Continued from page 1) cises. This will be in the form of a play. The final program comes the following night, April 29, at which time Dr. D. W. Bryan, Dean of Wake Forest College, will deliver the commencement address. At that time diplomas will be awarded to the senior class. Everyone is invited to attend the commencement exercises.

CONDITIONS OF SCHOOLS SHOWN IN JURY REPORT

(Continued from page 1) five doors, and one door is a makeshift affair and should be replaced by a new one. We found the sanitary condition at this school very unsatisfactory, and recommend two new toilets. Two crocks are needed, a bridge across a deep ditch over which children have to pass to get to the building is a weak and flimsy affair and in our opinion, is a menace to the safety of those who cross it. This should be replaced by a more sturdy one.

"Bell Swamp needs new building. "At Bolivia high school, we found the lock gone from door to girls toilet, one commode broken and seats on four others broken. We recommend that a plumber be sent there to take care of this and the further condition that there is not sufficient drainage from one of the septic tanks. Plaster on walls is in bad condition, and a new roof is recommended for the lower part of the building.

"Walden colored school needs repair to weather boarding, windows, steps and pumps. "We recommend repairs at Waccama high school to roof, which leaks, plaster which is in bad condition, doors and radiators, flues in gymnasium building, do not draw well and fill room with smoke at times.

"Longwood colored, building should be generally repaired or replaced with new one. We found twenty-four desks to accommodate one hundred and five children.

"Shalotte school: The windows need to be repaired, and two of the rooms in the annex building need shades. The class room being used in the lunch room is almost

too bad for children to be in. This is due to overcrowded condition. We recommend that another building be built or more class rooms added in some way so as to take care of the children. There are three places in the central building that leak and need to be repaired. The electrical wiring is being repaired in the building. Buses are O. K. Other than the over-crowded conditions, the rooms mentioned above, we found the school, we would say fifty per cent better than it was three years ago when we inspected it. We recommended that ditch on north side of building be opened up.

"Shalotte (Hog Bay) grammar school needs window shades, tables and chairs for children. The outside toilets need repairing and moving to new location, one being located less than 30 yards from the pump which furnishes water for the school. The building which is constructed of brick has settled to the extent that the door facing is being pulled off, the plaster cracking and a crack appears in the outside wall. The stove pipes are located so near the walls as to be a constant hazard. The condition of this building is such that we recommend immediate inspection and repairs.

"Southport high school is in good condition, however, more room is needed in the main building. An incinerator is needed for trash burning, walls have been repaired but should be frequently inspected.

"We found the jail in good condition considering the number of

prisoners and crowded condition. The roof walls and all iron need painting. The lever controls the opening and of the cell doors is not in good condition. We recommend immediate repair, as the condition is against the safety of the jailer.

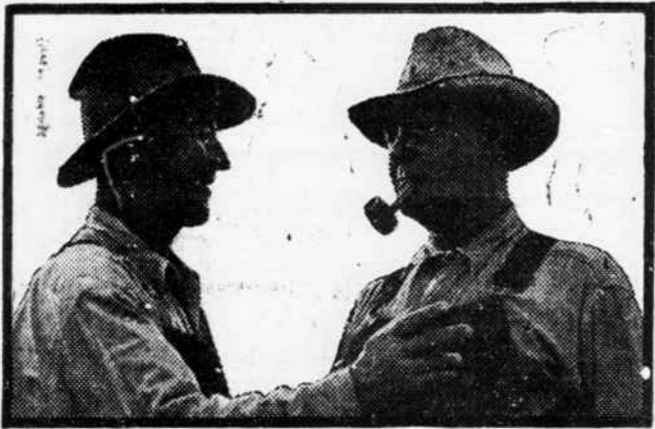

"The hospital is in good budget for this institution. "We visited the county and found the building in did shape, the farm well ed and the twenty-two well cared for, happy and contented.

"We visited the prison and while conditions are not satisfactory, they are as could be expected under present circumstances. We no recommendations to with reference to this camp new one is under construction. "We have returned three true bills and eight true bills.

"We have the regular from the following just the peace: J. T. White, L. H. Phelps, Atkinson, Coy Formyduval, Milliken, H. A. Mintz, H. Mintz, M. B. Watts, Geo. Ganey and E. H. Gray.

"We desire to express court our deep appreciation the kindness and courtesy ded to this body by the presiding. "This April 13, 1938. "Respectfully sub- "J. L. Henry, Jr. "J. J. Lough- Sec-

The Farm Family:-

... Good neighbors, good citizens, good customers. In fact, the backbone of our nation.

Our best friend is the farmer and it is our pleasure to be located in the midst of Brunswick county's finest agricultural area.

The complete stock of our big store has been built up with the idea of rendering a more complete mercantile service to our customers. Come to us for your every need for farm and home.
