HERE are the HIGH PRICE BOYS

Buck Peay

Geo. Walden

WHO WILL GET YOU THE MOST MONEY FOR YOUR TOBACCO

Both of them are old enough in experience to get you the High Dollar for every pile of your tobacco, yet young enough to render the best possible service. They are both well known and need no introduction. They have assembled a competent staff of experienced floor and office men to give you good sales and service. Bring them your first load and you'll sell your whole crop with them. Drive right in boys to the "Money Box."

"Best Service to All Alike"

Is Our Motto

We have no pets—we work just as hard to get a total stranger the High Dollar as we work for our best friends. Come in with your first load and let us prove this statement. If a good, well-lighted warehouse, an efficient sales force and the best buyers in the business is what you are looking for, then bring your tobacco to the Carolina Warehouse and you'll get the best in prices and courteous service.

Make Big Piles-but not over 250 lbs.

Make big piles but not to exceed 250 pounds to the pile and you'll save yourself some trips to market and help the buying companies to handle each day's sale better. Labor is short and we'll all have to do our part in order to help handle this crop.
