ROBERSON-DANFORD

Methodist church in Bolivia was the scene of a lovely wedding ceremony on Sunday June 28 when Miss Betty Danford, daughter of Mr. and Mrs. E. M. Danford of Bolivia, was united in marriage to Mr. J. W. Danford, son of Mr. and Mrs. John Roberson of Bolivia.

The Rev. Russell Candler officiated using the double ring ceremony. The vows were spoken before an arrangement of pine, ivy, and white gladioli. The bride wore a dress of blue organdy with scalloped neckline, full skirt and matching mitts. She carried a bouquet of mixed summer flowers tied with matching ribbon.

The bridesmaids were Mrs. Betty Henderson and Mrs. Dorothy Langley of Wilmington, sisters of the bridegroom, Miss Mae Braswell, cousin of the bride and Miss Martina Brown of Wilmington. They wore identical dresses of yellow, blue, pink and green. They were fashioned with off the shoulder necklines and full bouffant skirts with matching picture hats and mitts. They carried bouquets of mixed summer flowers tied with matching ribbon.

H. A. Langley of Wilmington was best man. Ushers were: Albert Henderson, Joe Jones, Tom Rabon and Charlie Roberson, all of Wilmington.

The mother of the bride was attired in an afternoon dress of sky blue crepe with white accessories and wore a corsage of pink carnations.

Mrs. Roberson, mother of the bridegroom, wore an afternoon dress of print silk with white accessories and wore a corsage of white carnations.

Immediately after the ceremony, a reception was given at the home of the bride's parents. The bride's table was decorated with two branched candelabra and mixed summer flowers. After the bride and bridegroom cut the first slice of the wedding cake, Miss Betty Danford served it. Presiding at the punch bowl was Mrs. Betty Henderson with Mrs. Dorothy Langley assisting her. Miss Mae Braswell kept the guest book.

For going away, the bride chose a white crepe dress with white accessories and wore the carnation corsage from her prayer book.

After a short wedding trip to Myrtle Beach, S. C., the couple will be at home in Wilmington.

Among the out-of-town guests were: Mr. and Mrs. F. W. Greer, Mr. and Mrs. E. L. Greer, Mr. and Mrs. Lemmon Hanchee, Mr. and Mrs. Clifton Harris, Mr. and Mrs. F. M. Harris, Mr. and Mrs. W. F. Dear Sir:

Recently I was a patient at the hospital in Southport, and there are some things I want to say about the way I was treated over there.

To begin with I didn't much want to come to the hospital. Some folks had said so much about it I didn't know what to expect. But finally I got to hurting so bad I didn't care where they took me.

Now all I want to say is this. There may be doctors who know more and there are bigger hospitals, but I don't think you can find a hospital anywhere that you will be treated better. I mean every member of the staff was as good and kind to me as they could be, and I want all of the people in Brunswick county to know that we are lucky to have a hospital like we have.

As long as I live I never expect to miss a chance to praise our hospital and the doctors and nurses who help to give such good care to the patients.

Durham, N. C. June 6th, 1948

Dear Southport folks:

Usually when writing to my three kids I would put four sheets of paper and three carbons in typewriter and then send a copy to each one. It is a time saver and they all get the same news. When I began to count the number of Southport friends to whom I should write I thought of this scheme and then a better one popped into my mind, that maybe Jimmie would print the letter in his paper then all of you would hear from me.

Well folks, the address is 909 Markham Ave, Durham, N. C. Phone X 4698. Mark it down somewhere. We like our new home very much although we are living in three rooms until the tenants vacate the other three rooms on June 15th. The house is one story, 6 rooms and two baths and arranged for two apartments if needed. Painted white, green awnings, venetian blinds, weather stripped, insulated, solid oak floors. Radiator in each room for heat supplied by coal furnace with stoker in basement and a separate gas water heater for summer use. Nice high top 65 ft. front by 185 ft. lot. Good garage, paved street, sidewalk and close to bus line. So much for the house. We want you to visit us but don't all come at once. After July 1st we will have a guest room available.

Mrs. Smith is well although she is unable to put on her shoe having shut the door of the car on her foot but will be OK in a day or two. Regarding my health I am not making much head way, just lie around on the couch and the bed and read and listen to the radio and gives me plenty of time to think of you people and makes me lonesome for Southport.

I miss my morning trip to the office. Waving to Mrs. Bragaw as she sits so queenly on her front porch, then coming out of the store with quick and measured steps Cronley Ruark going for his mail. As I would park in front of the office my colored friends would move over just enough for me to enter; then a pit pat a tiny feet, little Grace going to work in the tax office and from the other direction would come lovely Louise Reese. Then Joe and Grae would drive up and another round of good mornings, hope you are feeling

Several years ago at the begin-

ing of the war Mr. Gore had occasion to want his birth certificate. A regular subscriber to the State Port Pilot, he wrote for some one to look up the records at the court house here and get the certificate for him. This was done and while at Southport last week Mr. Gore came around to The Pilot office to express his thanks, renew his subscription and comment on the wonderful progress Brunswick county is now making.

BLOCK OWNERSHIP

(Continued from page one)

forts very profitable.

There is the case of Jimmie Woltz, widely known tobacco auctioneer. His home was at Sanford. He is now a full time resident of Long Beach, except when he is on the Fairmont tobacco market as auctioneer.

Mr. Woltz had a nice summer home at Long Beach before the block sale system was put into effect. He bought one of the full blocks and proceeded to erect a beautiful two-story, twelve-room, year-round home on the block. He sold his old home to Dr. Joe Usher of Greensboro before he could move out of it and into the large new residence.

He had hardly moved into the large new residence before Watson Wallace of Fayetteville came along and bought the ground from under and the roof from over him. Mr. Wallace let the Woltz stay on in the big house until they could build another just like it and immediately adjoining.

It seems that Jimmie has been having a hard time keeping a roof over the head of Mrs. Jimmie. However, he has found it very profitable building houses, selling them and promising her the next one.

Others who bought blocks are working out things the same way. The buy a block and pick your own neighbor plan of the Carolina Lands, Inc., will undoubtedly be productive of steady development at Long Beach for many years to come.
