Inspection Lane Is Coming Next Week

The State Motor Vehicle Inspection Lane returns to Shallotte September 23rd, remaining there through the 26th. Opening at Southport on September 28th, it will remain through September 29th.

In various parts of the State Highway Patrol has been instructed to order from the road various classes of cars, including some late models, that did not pass inspection before the deadline. The owners of such cars are being cited into court. It is becoming increasingly apparent that that the matter of having cars and trucks inspected should not be put off until the last moment.

Miss Joan Dale Hewett of Shallotte entered as a medical patient on Sunday.
