Young Democrats Planning Meeting

Edward H. Redwine, president of the Brunswick County Young Democrats Club, has announced plans for a party rally to be held on Saturday, October 2, at James Chadwick's place at Shallotte Point. One of the big attractions of this meeting will be a free oyster roast.

Several prominent speakers have been invited to this event, and all party candidates for county offices are expected to attend. This will be one in a series of meeting sponsored by the Young Democrats organization, which plans to play an active and aggressive role in this year's campaign activities in Brunswick county.
