NOW IN PROGRESS Brunswick Farm Bureau Membership Drive

Back the organization that backs the farmer. Lend the support of your membership and loyalty to the Nation's leading farm group. The bigger it grows, the more powerful will be its influence.

STRENGTH THROUGH ORGANIZATION

Do you think that it is fair for the farmers, who feed the population of the United States, to be controlled by organized groups that press for their own special interests? The power of these groups came through organization. The power of the farmer to stand up in his own defense must come through the same channel.

JOIN YOUR LOCAL FARM BUREAU...

The FARM BUREAU is not something you pay money to here to be spent away from home. One dollar of each membership stays in your local treasury to help local FARM BUREAU activities. Our county has been assigned a quota. Do your part to see that we reach that goal this week!

REMEMBER...

An unorganized group is a group that is without a voice in our government. Help make the powerful influence of the Farm Population of our country an influence for prosperity and progress.
