W. J. McLamb, judge of the Brunswick county Recorder's court, is once more the Democratic candidate for this office, being opposed by W. A. Kopp, Bolivia businessman who also is chairman of the Republican executive committee for Brunswick county.

FOR COUNTY COMMISSIONER

I have traveled into every section of Brunswick county during the campaign seeking an opportunity to meet and talk personally with as many voters as possible. If you elect me to serve as a member of the Board of County Commissioners I promise to deal fair and square with everybody, and to discharge the duties of that office to the best of my ability.

First reports had it that there was a third man in the car and that he escaped injury. However Coroner John G. Caison stated yesterday that all inquiries by him and the State Highway Patrol had failed to substantiate this report. Sellers and Murrell were apparently riding alone and as both were thrown clear of the machine it has thus far been impossible to determine who was behind the wheel.

The condition of Murrell is such that the officers have not been able to question him. He is said to have been only partially conscious since he was brought to the hospital.

SEND A DEMOCRAT TO RALEIGH!!...

I don't want the people of Brunswick County to feel like I am trying to meddle with their politics, but I do want to give you this bit of advice. Support the Democratic Ticket straight. You cannot go wrong if you will do this. But if you conscientiously feel that you cannot vote a straight ticket, then I strongly urge you to return ODELL WILLIAMSON to Raleigh as your Representative in the North Carolina General Assembly.

A Republican Representative cannot do you any good in the Legislature. I've been there and I know. Don't be without active representation in the next session of the Legislature.

I want to remind you that my mother was born in Brunswick county. I spent many happy boyhood days there, and during recent years I have spent my summer vacations in your county. I think you know that I have done everything I could to help Brunswick, and this I shall continue to do so long as it lies within my power. So it is with a real interest that I say to you...
