THAT 30-DAY TEST I MADE WITH ME OVER TO CAMELS FOR KEEPS... THEY'RE WONDERFULLY MILD!

I'VE SMOKED CAMELS FOR YEARS... I KNOW THEY'RE MILD... AND THEY TASTE GREAT!

**PROVE CAMEL MILDNESS FOR YOURSELF!**

In a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—an average of one to two packages a day—for 30 consecutive days. Each week their throats were examined by noted throat specialists—a total of 2470 examinations—and these doctors found not one single case of throat irritation due to smoking Camels.
