Inexperienced Brunswick County Eleven Unable To Get Going Against Tabor City Squad

TABOR CITY—Coach Sil Caruso, mentor of the Tabor City High Red Devils, scraped the barrel here Friday afternoon as he used every man on his squad but downed an inexperienced Shallotte High eleven, 79-7.

The Devil varsity played for approximately the first five minutes of the battle. Then, with the score standing at 19-0, Caruso used every reserve he had but the Brunswick County team, playing their second game since organization, could not stem the avalanche of touchdowns.

Only two varsity backs scored touchdowns with Captain Ted Fipps, who romped 55 yards, and fullback Ford Fowler going over. The other TC six-pointers were divided in the following manner: Elbert Long scored 3; Maxie Walts, Dalton Anderson, and Marion Baxter two each, with Berney Stevens counting once.

The Shallotte boys could not get an offensive going until the waning moments of the contest when Waban Thomas who, along with "Bunky" Bellamy were best for the invaders, broke away and ran 40 yards to score. He also added the point on an end run.

Carter, formerly pastor of the Shallotte church for many years, who gave as his thoughts and remarks some of the foundations of carrying to the end the truths that Paul had stressed in the fourth chapter of 2nd Timothy and he based his conclusion on the words of Paul who said "I have fought a good fight, I have kept the Faith, and I finished my course."

The ordination sermon was delivered by the Rev. J. Burris Carter, who preached the need for the candidate, as well as the church, to ever cling to the truths that have been laid down through those men who received power from on high through the Holy Spirit. The ordination prayer was given by Rev. Mr. Carter in the absence of Rev. Oscar Hardrick.

### Veterans Class At State Fair

Veterans Enrolled In Farmer Training Program At Brunswick County Training School Make Trip

Veterans enrolled in the Farmer Training Program at Brunswick County School visited the State Fair in Raleigh on October 18th.

The interesting display of farm machinery, livestock and exhibits aroused a great deal of enthusiasm among these young farmers whose chief objective is to become established in farming.

A lot valuable information was obtained, through observing livestock, which is an important phase of the local Training Program.

The addresses of several breeders were secured, and many conversations were carried on with livestock owners and attendants.

The exhibits reaffirmed the belief that certified seed, good fertilizer practices, recommended varieties of hybrid corn, graded products, pastures, insect control, soil testing etc. are among the most pertinent factors of successful farming and will ever remain the difference between profit and loss. Having come in contact with this vast array of agricultural exhibits the Veterans Farmers have more vivid picture of just what modern scientific farming means.

This trip gave much inspiration and it is hoped that the results will be shown in the practices and improvements carried out on veteran farms in the future.

Everyone had an opportunity to see and hear President Harry S. Truman.

The following veterans took the trip: Chester Bell, Henry Bell, Lawrence Brown, Emmette Bryant, Herbert Bryant, Willie Bryant, Joseph Butler, Alvah Cox, Nero Frink, Vance L. Frink, Artee Gause, John A. Gause, Nero Gause, Harris R. Gore, Boisy Hewett, Goley Hewett, Miles N. Hewett, Wesley Hewett, Woodrow Hewett, James E. Hardie, Harry Hill, Henry M.
