Woman's Club

Members of the Southport Woman's Club saw a movie on "18th Century Life in Colonial Williamsburg" at their regular meeting Wednesday. Mrs. M. R. Sanders was in charge of the program.

Mrs. L. D. Hayman made a report on The Club Woman, federation publication.

The resignation of Mrs. Andrew Downing was received and a successor will be named before the next meeting. Miss Ruth Patterson was accepted into membership.

PERSONALS

Mr. and Mrs. Preston Bonds and Mr. Bonds sister and her husband, of Snowhill, Maryland, spent part of last week here with Mayor and Mrs. Hubert Livingston.

Mr. and Mrs. Geo. W. Rappleyea of New Orleans, La., are spending several weeks here while supervising repairs on the Rappleyea house on Moore street.

On his way from New York to California Gilbert Blum of the Maritime Service stopped over in Shallotte last week for a few days with Mr. and Mrs. Eli Kravitz.

Miss Jamie Gore of Longwood has returned to Columbia Commercial College, after spending the holidays with her parents, Mr. and Mrs. M. C. Gore.

Mr. and Mrs. W. D. Hewett and children, of Palatka, Fla., are spending this week here with Mr. Hewett's parents, Mr. and Mrs. J. W. Hewett.

High Times

BY ELIZABETH LUPTON
 First off, the teen-agers of the Southport school want to thank the paper for the use of a column just for us. Now that we have finished that, we are ready to begin the task of telling about our parties, clubs, basketball games and, last but not least, our school activities.

First I want to mention Stuart Arrington and her lovely formal party. Everyone had a wonderful time and you'd be surprised how dressed up everyone was. Pat, Stuart's sister, had a schoolmate from Flora McDonald College and other friends present. Nearly everybody in town attended and there were several from out of town. But who wouldn't go with mistletoe hanging on the ceiling! I also want to mention that Peter Robinson, a New Hanover high school student, was one of the guests.

The school feels pretty lucky this year to have Mr. Stevenson

as its musical director. We plan to have a school band next year with his help, and you never saw such cooperation! Just between us, I never knew that Southport people had it in themselves. We plan to have two awfully good singers by next year, Patricia Adams and Gloria Lee Hewett. Now, in case everybody doesn't already know, I'll tell you who has been around this week: Karen Swan and Harriet Corlette making monkey faces in the hall, Lattia Hickman, Stuart Arrington, Iris Rabon, Catherine and Rebecca McRackan, Linda Hickman, Lena Ward, Nancy Swan, Eulene Stidham, Peggy Arnold, Betty Jean Helms and Ula Garner sporting around in their new basketball uniforms. . . Thursday night saw Gloria Hewett, Janice Swan, Bernice Phelps and Elizabeth Lupton (cheer leaders for the basketball teams) as interested spectators of the colored high school game against East Arcadia. The cheer leading by the young colored people also came in for much attention. . . Among others of the students present at this game were Joan Marie James, Peggy Arnold, Eulene Stidham, Billy McDowell, Harold Spencer and Tommy Bowmer.

Friday morning we saw Billy Smith sitting on a radiator. . . Darrell Fisher was smacking bubble gum during glee club. . . Loretta Spencer and Boyce Spencer making wisecracks. . . Bobby Cullis and Bertram Burris were nosing around. Jackie Marsh, Nancy Swan and Janice Swan chatting during glee club. And Jimmy Ratcliffe was swooning over a cute girl from Wilmington. Oh, yes, I want you to see those lovely pictures taken last week.

Friday night was a great night for the young folks. The boy and girls had new basketball uniforms and were they snazzy! We will be proud to walk off with the championship now that we have those pretty uniforms. Another reason for its being a big night was that we won both games with the Waccamaw school. Our girls came out with a score of 19 to 6 and we owe eleven of these points to Betty Jean Helms, our one-hand shot star. Without even guessing you will know that Rebecca McRackan was next. She made 4 of the 19 points Lattia Hickman and Catherine McRackan finished out the score with 2 points each. Nancy Swan and Ula Garner were not quite so lucky, but both of them played a good game. Of course, half the credit goes to our guards, Linda Hickman, Eulene Stidham, Iris Rabon, Lena Ward, Stuart Arrington and Peggy Arnold, who were really on the ball.

Our boys did even better. They won 35 to 8. Gene Russ walked-off with the high scoring title. He made 10 of the 35 points. Tommy Bowmer came in second with 8 points and G. W. Fisher ran him close with 7. Bobby Spencer didn't make the 20 points he had promised to make, but he delivered 6 and they really came in handy. Billy Doshier and Sonny Hickman finished out the score with 2 points each. So we won, but I think we should remember Mr. Sanders, our coach, and he is a good one.

Well, I guess this takes care of this week. So, be good and don't do anything I wouldn't do.

Shalotte Point News

Chief J. C. Chadwick and Mrs. Chadwick and their little daughter Mariles have been visiting Mr. Chadwick's parents, Mr. and Mrs. John V. Chadwick, through the holidays. Chief Chadwick is sant visit to relatives in St. Augustine, Fla.

Engagement Announced

Mr. and Mrs. Jesse A. Purvis, of Ash have announced the engagement of their daughter, Robbie, of Salisbury, to Harvey Littleton Trexler, Jr., of Salisbury and Lancaster, S. C., son of Mr. and Mrs. Harvey L. Trexler, of Salisbury. The announcement was made at the annual Christmas dinner gathering at the home of Miss Purvis' maternal grandparents, Mr. and Mrs. J. W. Robbins, of Sharpsburg. (Cut courtesy Star-News)

New Chevrolet for '49

Tested and Proved...

on the world's toughest Proving Ground

WHEN you see the 1949 Chevrolets, a glance will be enough to tell you they're new—all new—in line and contour, in beauty and style. And when you look inside, and under the hood, and beneath the chassis, you'll see that their newness is not merely in outward appearance, but in design and engineering and construction as well.

But, to a lot of people, the 1949 Chevrolet is already old. They know what it will do, and how exceedingly well it will do—it they know all about its performance, its comfort, its power, safety, durability and

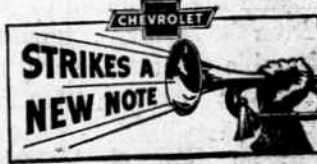

economy. They are the engineers and technicians of the General Motors Proving Ground—the largest, most completely equipped, outdoor testing laboratory in the automobile world.

Here, before a single new 1949 Chevrolet

let went into production, experimental models were tested—made to show that they possess, in greater measure than ever, all those qualities on which Chevrolet has built its leadership.

In short, the General Motors Proving Ground tests are your assurance that your new-model Chevrolet has proved its worth through many months and many, many thousands of miles of rough handling.

Soon you will see the new Chevrolet—and when you do, you will see a car not only new, but tried and true.
