## High Times

BY CHEER LEADERS This week has been a busy one, especially on the thinking mechanism of the Southport high school students. We have finally completed our mid-term exams, which we will say were a little on the brain-racking side. But we think with all our last-minute cramming we came out fairly well. Believe it or not, the cheer leaders took time out from their daily routine of exercises to crack open a few books. We have to hand it to the teachers, they seem to have a little more sympathy on us for a change.

We just know that everyone will be anxious when Tuesday rolls around because we can take our report cards home to our parents. A few encouraging words to those who weren't quite so lucky in passing their exams: "If at first, Etc."

Southport trampled Waccamaw in a killer-diller Tuesday night January 25. Tommy Bowmer was high scorer with 12 points. Bobby Spencer came next with 8 points. Final score was 47 to 13. Our boys second team played a pretty good game also. LeRoy Stanley made 4 of our forty-one points and Billy Doshier made three points.

Our girls won over the Wacca-

maw girls by a score of 17 to 11. Rebecca McRacken made 8 of our 17 points and our little freshman, Lattia Hickman, came up next with 7 points. They had us worried at the half because Waccamaw had us eight to three, but after Mr. Sanders gave them a pep talk, you should have seen that score fly up! We want to thank the Waccamaw teams for two grand games.

Last week we had Mrs. Glenn, the lunchroom inspector, to visit the lunchroom of our school. After looking around a bit she left saying that our lunchroom was in very good condition. We had Mr. Combs, the school inspector, to visit us this past week. He also said that our school and supplies are in good condition. Let's keep it just that!

With the help of Mr. Stevenson, a group of our community singers organized a choral club. This club has great plans. Mrs. H. W. Hood was elected president, Mrs. George Whalley, secretary-treasurer, and Miss Ruth Patterson librarian. This club meets every Wednesday night at 8:30 o'clock. Confidentially, we think they are planning a spring program. Time will tell.

Friday night was a tough but thrilling night for both basketball teams. Bolivia really gave us a hard time, with Southport getting two one-point victories. In the girls linup Catherine Mc-

Leland, N. C. Editor, State Port Pilot Southport, N. C.

Dear Sir:

"My husband and I would like to take this opportunity to thank everyone who contributed to the March of Dimes last year and to urge everyone to contribute as much as they can possibly afford to this Drive this year.

No one can speak too highly for this wonderful National Foundation of Infantile Paralysis. Only those who have experienced this terrible disease can fully appreciate the work of the Foundation, but we must all bear in mind the fact that polio is no respecter of persons.

"It struck our family last year, it may strike yours" this year. "Our child stayed in the hospital nine weeks and received the best of care from nurses and specialists. Since he has been home he has been going back to the hospital twice a week for physical-therapy and hydrotherapy treatments. Also, he is still being checked by specialists at regular intervals.

"Very few of us could bear all the expense involved in treating a case of polio alone, but cooperation with the National Foundation of Infantile Paralysis such care is available without charge to every polio victim. "Thanks again folks and lets all help this worthy cause. "Mrs. D. A. Watkins"

## REMODEL BUILDING

## BIRTH ANNOUNCEMENT

Mr. and Mrs. W. E. Stott of Spring Hope and Long Beach announce the birth of a daughter, Frances Amelia, on January 19 at Mary Elizabeth Hospital in Raleigh. Mrs. Stott is the former Miss Eva Mae Lassister of Spring Hope.

McRacken was high scorer. She made 4 of our 12 points. Rebecca McRacken and Lattia Hickman came next with three points each. In the boys lineup Billy Doshier was high scorer. He made four points. Keep up the good playing, Sardina! Tommy Bowmer, Bobby Spencer and G. W. Fisher completed our 13 points with 3 points each. Bolivia was coming right on us with 12 points.

### STATE ENGINEERS

(Continued from page one) porary repairs were made but the bridge is still regarded as very dangerous. Heavy trucks have to cross slowly and even with this precaution the structure trembles and is always dangerously.

The bridge is at the end of a grading and paving project starting from Southport. From the upper end of the road paving has already been completed to Lilliput Creek. This leaves the Walden Creek bridge and about seven miles of road with no pre-

sent plans revealed for improvement. The present old wooden bridge is of the arch type. Operators of cars entering it at one end cannot see cars approaching from the opposite end. Much grading will have to be done to get an approach to a level bridge.

## REMEMBERED...

"I've marked this place that they be known, That silence need not watch alone, With mem'ries shined in votive stone, I have remembered them."

With flowers, a symbol of sentiment, we send a message in words. The cemetery memorial is a noble symbol of sentiment, and should be properly inscribed to become an inspiration to the living, no less than a tribute to those who have gone before.

Memorials we erect are from quarries producing stone of recognized monumental quality.
