**By Two Bettys.**  
The students of Bolivia think it's high time we should be letting the people in other parts of Brunswick county know what's happening around here in high school these days.  
Last Saturday night the Juniors gave their class play. The girls talked as though they really enjoyed it. The name of their play was "She's My Daisy". They played it over Tuesday for the children. The cast featured, Howard, Verna Willetts, Helen Cason, Edith Purvis, Emma Wolfe, Aleze Knox, Worth Mercer, Nora Mae Mills, Maxine Johnson and Betty Swain. They really did good in the play.

The Independent Basketball tournament started Wednesday at Bolivia high school. There were nine teams entered in the tournament. They were Acme-Delco, Southport, Long Creek, Waccamaw, Leland, Speed Demons, Whiteville, and Wampee. The Speed Demons are from Wilmington.

The Seniors have been pretty busy this week working with the school. If nothing happens it will be the most interesting news we've heard of. It includes pictures of the principal, high school teachers, and of the school building. There will also be group pictures of the different grades and separate pictures of the seniors. It will be well worth the

price.  
Although the girls basketball team never won a trophy this season, we want to extend our congratulations to the schools that did win. The boys' won the consolation.  
Bolivia school also has a school paper that is published every two weeks. There are always lots of interesting facts in the B-Hive News. The grade sponsors of the school paper are Mr. and Mrs. Dorman Mercer of Bolivia.

Of course we can't write this column for the Stateport Pilot without mentioning the wonderful meals we have at the lunch room of Bolivia school. Mrs. Yount really does a good part in the way of food for school children. What we would like to know is where would we be without her and the helpers in the school lunch room???

We chose our queen from the Senior Class for this school term. She is Sammie Lave Mercer. Her Maid-of-honor is Colleen Coleman.

The Basketball games for Wednesday night went off with a bang! Southport and the Speed Demons played the first game, with Southport winning 45 to 41. High scorer for Southport was Tommy Bowmer with 19 points. High scorers for the Speed Demons were Watkins with 11 points and Orrell also with 11 points.

Bolivia boys and Leland boys also played an interesting game Wednesday night. The final score

was 31 to 24 in favor of Leland. High scorer for Bolivia was Robert Burris with 10 points. High scorer for Leland was Billy Benton with 13 points.  
Whiteville All-Stars and Leland Girls played a very interesting game Wednesday night. The final scores for that game were 35 to 28 in favor of the Whiteville All Stars Girls. The high scorer for Leland was Pauline Williams with 15 points. Mildred Gore was high scorer for the Whiteville All-Stars, with 21 points.

Ball games Thursday were also very interesting. The Bolivia Independent team won over the school team. High scorers for the Bolivia school team were, Doris Danford and Sylvia Leonard each with 5 points. High scorer for the Independent team was Schnell with 11 points. The reason that the Independent team had to play the school team was because Long Creek dropped out on them at the last minute.

The Wampee Independent team also put up a good fight with Acme-Delco. The final score for their game was 81 to 20 in favor of Wampee team. High scorer for Wampee was Permentor with 25 points. High scorer for Acme-Delco was Allen with 10 points.

Seen enjoying the Ball games Thursday night were Myrtle Hickman, Betty Padgett, Sammie Mercer, Sylvia Leonard, and Elizabeth Johnson.

We've not yet mentioned the different kinds of sports, which we have at our school. They include, Baseball, Basketball, volleyball, horse shoe and football. We may not have as much sports equipment as other schools, but we are really proud of what we do have, and we all have grand times with what we do have. We really thank Mr. Page for his interest in making it possible for us to have different kinds of sports.

The cold can't stop the wise old Sophomores. Tuesday night found them piling into trucks and cars and taking off for Wilmington. anyone peeping in the theatre could easily see that they were enjoying "Enchantment". After the show, the gang motored back to Bolivia and enjoyed a marshmallow roast at the teacherage. Miss Miller, Miss Stokes and Mrs. Rogers accompanied the group. Kenny Johnson, Henry Gilbert, Clifton Sellers and Guy Willetts were special guests.

The state health inspector visited the school Wednesday afternoon. He complimented officials on the neatness of the interior of the school building.

Sammie Lane Mercer holds the title of valedictorian in Bolivia school. This is the highest honor that a Senior can receive, so lets all congratulate Sammie Lane for doing such an excellent job. The second highest honor of salutatorian goes to Betty Danford. The third place winner is Henry Gilbert, Jr. all of these deserve a congratulations.

J. M. King, our Agriculture teacher, is building three basketball courts on the school ground so that there won't be so many children in the gym at one time. This adds a lot to our campus. Thanks a lot Mr. King.

Well folks, this is about all for this time, so look for our column in the paper next week.

# High Times

**By Cheerleaders**  
This week we have had news. We are losing one of our nicest and best-looking boys Ronnie Hood. We were very shocked to hear that he is moving to Virginia. He is our loss and Virginia's gain. We want to take this opportunity to say how we will miss him. So please don't forget us, Ronnie.

Last week we told the students that we were sponsoring a contest for the neatest boy and girl in each class in high school. With the help of some of the teachers we made the following decisions: In the Freshman class, Stuart Arrington and Darrell Fisher; Sophomore class Nancy Swan and Elliott Hickman; Linda Hickman and Robin Hood took the Junior class prizes; and for the neatest seniors we find Uia Garner and Richard Brendle.

Our Parent-Teachers Association held its regular meeting in the high school auditorium Thursday night. Mr. Stevenson gave a short musical program, so the parents could see the progress which students have made. The program was as follows: Barbara Bomberger played a group of waltzes on her accordion; Gloria Hewett sang "The Lass With the Delicate Air"; Elliott Hickman played on his cornet "Lavender Blue"; Patricia Adams sang "For You Alone"; and Bertram Burris ended the program playing the "Activity March" on his saxophone.

Friday night at Bolivia, Southport Independents won over Bolivia All-Stars with the score of 35-46 in Southport favor. Bobby Spencer ran off the court with high score of 12 points. The Independent team is mostly made up of school boys, so you see why we won. Nice going boys.

Saturday night our team wasn't so lucky playing the Leland five. The outcome was 33 to 22 in Leland's favor. Our local barbar, Roland Clark, came out with high score. Well, Boys, keep the good work up and you'll have a neck-lace of silver and gold basket balls before the season is over. We all are in hopes that Skippy Stiller, Bobby Spencer and Tommie Bowmer feel better now from quite a few tumbles they had while playing the games.

Saturday night as usual most of the teen-agers ended up at the dance. There was a big crowd and we all enjoyed Wally Wallace's performance. We also enjoyed having the Shallotte and Wilmington folks who joined us. Among some of the Shallotte folks were Robert (Bunky) Bellamy, Scott McKeithan and most of the teachers. Of course Leland was well represented as usual.

This week we find most of our girls have been getting trim for majorette practice. If you see any of our girls down town with bandages all over them you'll know that they've been trying to do the back bend. Among those practicing are Janice Swan, Gloria Hewett, Harriet Corlette, Jackie Marsh, Stuart Arrington, Mary Ann Loughlin, Patricia Adams, Janice Trunnell and Elizabeth Lupton. Not all of these are to be our majorettes, but it's fun anyway.

While the girls are doing this, guess what the boys are doing? Of all things, playing marbles! They must have spring fever. A few of those playing were Douglas Watts, Merle Muncy, Danny Harrelson, Agnew Fulcher, Gene Russ, Gene Fulwood, Billy Doshier, Stud McKeithan and Sammy Reeves.

Guess what, Folks? Bill Cranmer has a new car-rig or what ever you want to call it. If you haven't seen it you don't know what you're missing.

Guess that does it. Goodbye for now.

**National 4-H Club Week Being Observed By Added Effort To Enlarge Program in Brunswick County**  
As this is National 4-H Club Week both County Agent A. S. Knowles and Miss Corinne Greene the home agent, are very busy among the young people of the county. Mr. Knowles said Monday that in addition to the several active clubs in Brunswick county it was hoped to have several more before the end of the week.  
Monday the two workers met with the two Bolivia 4-H Clubs. Bolivia is one of the few places in Brunswick that has two such organizations. There, as at other points in the county where the young people have received encouragement, much good has been accomplished.  
Tuesday Mr. Knowles and Miss Greene met with the Southport Club. Here Miss Greene has a fine little group among the grammar grade students. Mr. Knowles stated that he expects to get another one among the high school students in Southport.  
Today and the rest of the week they will meet with other clubs throughout the county. According to present indications Brunswick county has many young people who are destined to make fine strides on 4-H Club work this year.
