house the second week in May. The ninth grade students seem to really enjoy science class now, especially while in the science room experimenting with different chemicals.

We have a newly added attraction on our school campus now. Besides putting up outdoor basketball goals, Mr. King also set up several see-saws for the smaller children, although it seems as though the high school students are enjoying them just as much as the grammar grades. Some of the older tots seen enjoying the see-saws Friday afternoon were Aleze Knox, T. J. Gilbert, Betty Swain and others.

The two basketball teams from Bolivia high have entered the Star News Y. M. C. A. tournament. The boys team includes Glenn Caison, Guy Willetts, Lindsey Walton, Hugh Danford, George H. Lanier, Avon Earp, Henry Gilbert, Jr., T. J. Gilbert, Earnest Wolfe, Charles Leonard, Worth Mercer and Paul Howard.

The girls team consists of Harriet Yount, Patsy Caison, Sylvia Leonard, Elizabeth Johnson, Emma Rae McDowell, Doris Danford, Verna Willetts, Edith Purvis, Alberta Skipper and Elois Sellers.

Well, folks, that about winds things up for this time. Maybe we'll have more news next week, so look for us then.

### WIND UP SEASON

The Brunswick County Training school at Southport and the Longwood boys and girls wound up their basketball season here Monday night with a fast encounter. The Southport boys won their game with a score of 36 to 12. The local girls came across with a 18 to 5 score. Despite the games being one-sided for Southport they were well worth watching. The Longwood teams have only played one or two games this season and those on a dirt court. They were wild at the basket, but showed fine passing and amazing speed on the floor.

### PHOTO-MURALS

G. V. Barbee, Wake Forest Cafe owner and also much interested in Long Beach property, stated Sunday that he had some beautiful photo-murals made of scenes on Long Beach and Bald Head Island. These murals are on the walls of his cafe at Wake Forest. The place is much patronized by

last Thursday night. The final score was 21 to 17 in favor of Bolivia. High scorer for Bolivia team was Elaine Sullivan with 8 points. High scorer for the Presbyterian team was Sylvia Floyd with 7 points.

There was also a very interesting boys game played Thursday night between Bolivia boys and the Southport Presbyterian boys. The final score was 37 to 19 in favor of Bolivia. High scorer for Bolivia team was Bobby Leonard with 7 points. High scorer for the Presbyterian boys was Fullwood with 7 points.

The college students and the pictures have aroused much interest towards this part of the state.

### BUILDING HOME

Mr. and Mrs. J. D. Bellamy, Sr., of the Hickman's Cross Roads community are building a modern home on their farm. The structure will have ten rooms, including those in the brick basement. Living near the South Carolina line, Mr. and Mrs. Bellamy have one of the best farms in Brunswick county.

### SOUTHPORT WILL

### PLANS REVEALED FOR

(Continued From Page One)  
 date 20 girls and 2 adults and will have such conveniences as are necessary for year-round camping. Eventually we will have four complete camps in one, that is: Brownies, ages 7 to 10 years; Intermediates, 10 to 14 years; Seniors, 14 to 18 years and primitive camping for advanced Scouts. The units will surround the pond with tents and cabins, according to the age brackets mentioned.

"A large main dining hall will be in the center of the camp and picnic area, where there will also be visitors parking space. Here we will be able to welcome our friends."

Continuing, Mrs. Holden said: "As you know, this will be an Area Camp, taking in girls from Columbus, Brunswick, Pender and New Hanover counties. We started a campaign yesterday, March 15, for building material, with the hope that we will be able to start constructing the winter lodge very shortly. If you have any extra bricks or rafters floating around Southport or anywhere in Brunswick county, we wish you would salvage them for us in starting what will be a great girls camp at Pretty Pond."

In connection with the above plans to build immediately at the beautiful 60 acre lake, Mrs. J. M. Waggett of Southport advises that her Girl Scouts began taking orders for cookies yesterday. All of the money raised in this way will go to the Camp Building fund at Pretty Pond. Inspired by the fact that the Girl Scouts of Wilmington raised all of the money to buy the land and lake through the sale of cookies, the Southport girls are anxious to do their part in helping with the buildings.

"The Southport girls," Mrs. Waggett says, "are delighted at the plans of being in with Columbus, Pender and New Hanover girls in the operation of the really beautiful body of water."

Pretty Pond can be reached from either the Bell Swamp Highway or the River Road, now being constructed. E. D. Bishop, manager of the REA at Shallotte, is much interested in the proposed development and it is more than likely that the lodges will get electric current from the River Road lines.

Meanwhile, whenever Girl

Scouts of Brunswick, Columbus, Pender or New Hanover counties are found selling cookies the public can buy with the knowledge that it is getting something delicious and at the same time helping towards building up a great healthy outdoor camp for the girls of the four counties.

 a bath.  
 After he had been frightened away by Smith's outcry a call was made for Chief of Police Otto Hickman, who procured the bloodhounds from the Prison Camp at Shallotte in an effort to track down the visitor.

The first trail led to the home of a respected Southport colored citizen who was able to account satisfactorily for his actions during the night, and when a second attempt was made the hounds were unable to take any definite lead.

### APPLICATIONS FOR

(Continued From Page One)  
 phones can be installed.  
 It can be said for the Bell Company that it has always given Southport first class phone service. Expert workmen are either always here or ready to come in on short order to correct the slightest trouble.

### WILLIAMSON HAS

"Sec. 2. All laws and clauses of laws in conflict with this act are hereby repealed."

"Sec. 3. This act shall be in full force and effect from and after its ratification."

Another Williamson bill will permit the board of county commissioners, at their discretion, to employ an assistant for the office of the county auditor or accountant. This bill is as follows:

"A Bill to be entitled an Act relating to the Auditor's Office of Brunswick County.  
 "The General Assembly of North Carolina do enact:
