

High Times

BY CHEER LEADERS
 Thursday night we saw Elizabeth Lupton, Harriet Corlette, Linda Hickman, Jackie Marsh and Janice Swan coming out of the school house wiping their faces. And were they hot! Mr. Stevenson really gave the majorette candidates a workout! While he played a march on the piano, the girls would strut around the stage, lifting first one leg and then the other. Folks, you should have seen that. It was really comical. Some of the people enjoying the majorette practice were, Mrs. Ruth Hood, Mrs. James Harper, Mrs. J. T. Denning, Bobby Cullis, Bertram Burris, Bill McKinley, Mrs. Rennie Watley and Miss Ruth Patterson. We're going to give Mr. Stevenson all of our cooperation because he is really going to need it.

Last Tuesday night, the high school students gave Ronnie Hood, a sophomore of this year, a farewell weiner roast at the cliffs. There were about 45 present at this event. For chaperones we had Mrs. Marie Hood, Miss Dolores Hewett and Mrs. Ameretta Burr. We think they enjoyed it, too. We're sorry Mrs. Hood was stung on the foot and hope it's better by now. We want to thank them for going along with us. For transportation we had M. R. Sanders' truck, Thelton Lancaster's truck, George Stanly's, Jimmy Ratcliff's and Billy McDowell's cars. We all had a grand time, Ronnie, and don't forget S. H. S. and your old schoolmates.

Several fans from Southport went to see our boys play Atkinson Thursday night in Burgaw. We won by a score 30 to 22, with Tommy Bowmer as high scorer and Richard Brendle as runner-up.

In this paragraph we're dedicating the following records to some of our students. To Latitia Hickman we dedicate, "Brush Those Tears From Your Eyes"; to Gloria Hewett we give "You Were Only Fooling"; to Stuart - "What Did I Do"; Elizabeth Lupton's favorite is "I Love You So Much It Hurts Me"; to Mr. Sanders - "Carolina Moon"; to Karen Swan - "Too Fat Polka"; to Harriet Corlette - "Run, Rabbit, Run"; to Mary Ann Loughlin, "So Dear To My Heart"; to Ronnie Hood, "Our Best To You"; to Linda Hickman, "You Can't Be True Dear"; to Ed Hanson, "Put Your Arms Around Me Honey"; to Tommy Bowmer, "My Happiness"; to Jimmy Ratcliff "Sentimental Journey"; (Billy McDowell also

gets this song); to Nancy Swan - "Hugging and Chalking"; and to Patricia Adams - "For You Alone". We might also mention that Richard Brendle insists that his favorite song is "Ebbie", but we never heard of it.

Seen Around: Billy Smith, who couldn't get to school on time to save him... Janice Swan playing with a paper cutter while we are slaving over this... Ronnie Hood collecting his grades from Mrs. Denning... Stuart Arrington nursing stratched legs after the weiner roast Tuesday night... Maxine Doshier talking during physical ed... Betty Jean Helms and Ula Garner discussing their senior play - "Tons of Trouble"... Tommy Bowmer and Bobby Spencer selling tickets to the Topsail vs Southport game.

Well this ends our shattering chattering for this time. See you next week.

BY: THREE BUCCANEERS (Kat, Jan and Peg)
 Here we are back again, folks, after a week's vacation and we're bubbling with gossip. It seems that the Editor lost our copy last week-but accidents will happen.

The student body was delighted to have the Rev. Russell Caudill, Methodist minister, and the Rev. H. M. Baker, Baptist minister, speak to them last week. Both delivered a very interesting and informative message.

Our Beta Clubs are prospering nicely. The senior club members have the new pins and they are planning to attend a club meeting in Raleigh in the spring.

Our coach, Mr. Grahl, has been absent from school this past week due to a death in the family. We would like to extend to him our deepest sympathy.

The seniors are very enthusiastic over their coming banquet planned for some time in April. The waitresses elected were as follows: Betty Ruth Grissett, Amelia Kirby, Mary Emma Mintz, Betty Ruth Sermons, Edna Mintz, Ramona Frink, Ruby Dell Carter, Betty Jo Gore, Mary Emma Tripp, Marie Fulford and Cecilia Tripp.

We have received the pictures that were taken for the annual and they are super. We really hope to have an annual that we will be proud of. The staff and Miss Copeland, the sponsor, are working continually and progressively.

The show Friday was "My Favorite Patient", and it was really something fine.

Believe it or not, Mr. Nies is experimenting again. This time it's a coal garden which is supposed to form flower shaped crystals. "What next Professor"?

From the freshmen to the dignified seniors they all have the new fad of eating lollipops in class, too, if they can! "There're good arn't they"? We should know!

We appreciate the information concerning our fish in the lab that the Fish Editor gave us, even if it was late. The fish died before we received the information.

The freshman girls taking home economics surely keep the rest of the students hungry with their appetizing meals. Their sewing may not look so good, but their cooking taste delicious.

We are glad to have Katie White, one of our first grade teachers back with us again after being about since Christmas.

Wednesday the lunchroom and school had visitors. Mrs. Essie Yount and Mrs. Pearl Sullivan from the Bolivia lunchroom were our guests. We hope they will return soon.

We are glad to see B. A. Sellers home on furlough. Once a student at S. H. S., B. A. is now in the Navy.

Amelia Kirby, Jack Robinson and Sylvia Sermons spent the week-end with friends in Wilmington.

Be good, Folksies, and we'll see you next week.

Lucky Strawberries Bring \$10 A Crate

CHADBOURN, March 14- Strawberries which escaped the recent freeze brought \$10 a

crate on the open market here Saturday.

Sam Mercer reported that he brought in a single crate from the farm of Mrs. Lizzie Sellers and sold the berries for an even ten-spot. Lee Godwin received 50 cents per quart for a broken crate.

Comparatively few early strawberries, however, escaped the cold snap.

RALEIGH CAMERA

The Raleigh Camera Club about twelve members, most of them understood to be professionals, will make a two or three days trip to Southport and near by points sometime in the near future. Writing W. E. Keenan they stated they wanted to spend one day on Bald Head Island and the remainder of the time will devote to whatever he thinks

The Big Need Is QUALITY

To command the top market price, sweet potatoes must be grown from Quality seed and produced from vine cuttings. Naturally, some growers will have an early crop from sprouts but the main crop must come from cuttings if the demand for quality potatoes is to be met.

Then in order to safeguard against Rot and Disease, Growers should be sure to have their Potatoes Dipped Before They are Bedded.

The GOAL of every sweet potato grower is basket after basket just like the one pictured here. This is a natural photograph of Potatoes selected from certified seed.

Arrangements have been made to dip your potatoes FREE this year. Beginning March 15 at 9 a. m., take your seed potatoes to any of the following places where they will be dipped free by agricultural workers or prepare your own dipping solution with Semasan Bel.

UNDER NO CIRCUMSTANCES, BED YOUR POTATOES WITHOUT FIRST HAVING THEM TREATED.

THE FREE DIPPING SERVICE

WILL BE PROVIDED AT:-

We urge you not to plant seed that are not of Good Quality, not to bed untreated seed and not grow a big acreage from sprouts. Discuss the sweet potato problem with your county agent or one of the members of the Tabor City Marketing Co., Inc.

Quality potatoes are in demand and we are anxious to aid you in every possible way. Give us that chance and we pledge ourselves to obtain highest prices for your crop.
