

Light Work Monday For Commissioners
 regular meeting Monday, when only a few matters of routine importance were disposed of. The sum of \$15.00 per month for the two days spent last week was added to the general relief members of the board of load of the county; the John commissioners apparently Jenrett lot in Southport was or the pressure off of their dered conveyed to Harry Sell

upon payment of \$75.00; and M. L. Watts was given credits of \$27.79 and \$24.01 on payments for 1931-32 taxes.

High Times
 (By Cheer Leaders)

We would like to thank the P. T. A. for the wonderful banquet which was given Tuesday night at the community Building in honor of Coach H. T. Sanders, our girls and boys basketball teams and the cheerleaders. The tables and the room were decorated in our school colors, red and white, with our county championship trophy being the center piece. The program was as follows: Welcome, James M. Harper, Jr., toastmaster; response,

Becky McRackan; The Records Speak, Gloria L. Hewett; Cheer-to-team, all; presentation of letters, toastmaster; toast to coach, captains; response, coach, H. T. Sanders; cheer to coach, all; musical numbers, Mr. Stevenson; school song, all.

We also appreciated the fact that our toastmaster is like us in that he would rather spend his time eating than talking. People usually think of a banquet as being a long, drawn-out affair with nothing but speeches, but this one was nothing like that. The entertainment and program kept everyone wide awake and interested. After the banquet was over the teen-ages stayed to dance for awhile. Thanks again for a most wonderful time!

Wednesday night in the Y. M. C. A. at Wilmington our girls played against Bolivia. The score ended 22 to 19 in Bolivia's favor. Sorry girls, you did your best. Catherine McRackan was high scorer with Rebecca McRackan next. We want to congratulate the Bolivia girls because they said we surely had them scared while the score was tied, and they were surprised to get the last 3 points.

Thursday afternoon our boys played Shallotte in Wilmington and won with the score of 35 to 26. Bowmer was high scorer with Bobby Spencer coming next. Although we didn't get a chance to see them play, we had our fingers crossed. Nice going boys.

Thursday night our school band also had practice. From all reports the band did very well on their first session together. They are learning the "Activity March", which is to be our new marching song. In case you haven't heard this march, ask Sue Williamson, Danny Harrelson, Bill Cranmer, Copie Burris, or any number of our boys and girls in the band. We also want to mention that Mary Ann Loughlin has taken the bass drum.

Seen around: Since this has been a very busy week we'll start with Tuesday and go down.

Tuesday night came the P. T. A. banquet. Here we saw Richard Brendle enjoying peanuts, Lattia Hiskman offering her neighbor lemon for his coffee, Gloria Hewett doing a wonderful job of making us blush. She was giving her record speech at the time. On Wednesday as we all know our girls played the Bolivia girls in the Star-News tournament. Thursday the cheerleaders were sitting forlorn and awfully disappointed while our boys played Bolivia. Our boys defeated the Bolivia boys, but they had quite a struggle. We might mention that Gloria Hewett stuck a nail in her foot and spent the weekend in bed. Saturday night those of us who weren't fortunate enough to see our boys defeat Elizabethtown, giving our school the Star-News Championship, went to the regular Saturday night square dance. You see, folks, this has been a very busy week for everybody. Well, we're tired of writing and you're tired of reading-so we'll see you next time.
