

**BAD WOODS FIRE**  
A forest fire burned over a considerable acreage of woodland adjoining the Southport-Supply road Saturday afternoon. It is supposed that it started from someone throwing away a lighted cigarette from a passing car. Prompt attention on the part of forest fire wardens prevented the damage from being greater than it was.

By: The Three Buccaneers, (Kat, Jan and Peg.)

Thursday night the contest for the attendant to the princess of the Teen-Age Azalea Ball was held at the Legion Hut at Shallotte. A dance was held in honor of the occasion. Sammie Lane Mercer of Bolivia was chosen from the group of girls including two from each school in the county. Congratulations, Sammie!

Basketball may be over until next season, but baseball has just begun. Practically every boy in high school is going out for the team.

We are proud of our new, book-racks in the hall which are much more convenient. We, speaking for the student body, would like to thank Mr. Stone and the agriculture boys for this.

Saturday, March 19, was an exciting day for ten members of the senior Beta Club. Accompanied by Mrs. Guy McKeithan they visited Flora Macdonald College at Red Springs. Upon arriving about 9 o'clock they were greeted by Miss Morrison, one of the deans. During the first period they were shown some of the different departments and introduced to some of the officers, including the acting vice-president. During the second period the group divided and went in to several different classes. To their surprise they found them similar to high school classes. After the classes ended some of the college students took the Shallotte group for a walk through the beautiful gardens. Many stories were told about the historic campus.

At lunch the visitors were honored by a welcome address given by the vice-president. During lunch he talked about "and told the story of the many beautiful pictures in the dining room. After lunch the group was taken to the gymnasium, bowling alley and amphitheatre. Returning home the Beta Club members discussed the many sights and the fun they had during the day.

We would like to thank Audrey Milligan for this information concerning the trip.

This week we are sorry to say that Peggy Holden, known to us as "Peg", is in the hospital. She is one of the "Three Buccaneers" of Shallotte. Hope you will be back to school soon, Peggy.

Speaking of Beta Club, the junior Beta Club seems to be doing fine. The members are now ordering their pins.

The show Friday, "Down Missouri Way", was out of this world.

And that's all for this week.

**CARD OF THANKS**

We wish to express our heartfelt appreciation to friends and neighbors for their kindness during the illness and following the death of our husband and father. MRS. REBECCA AUTRY & FAMILY

**CHICKS BEING**

(Continued From Page One) Barefoot doing all of the work they now have a force of five employees and a big volume of work is being carried out. Mr. Barefoot is on the road part of the time but he is still the main cog in pushing the business right along.

Relative to chickens, Mr. Knowles says that all Brunswick people who plan having early winter layers should get quality chicks somewhere right away. The chicks hatched by the 15th of April should be laying the 1st of September, if they are given proper food and attention. Chicks hatched after the 15th of April are not likely to begin laying well until the spring of 1950.

**CATHOLIC INFORMATION**

**Just What is a Priest ?**

Catholic priests—you've seen them, no doubt many of them. Perhaps, you've talked with some and even known one or more intimately. If so you have found them rather regular beings however they are not. Let us tell you briefly. The Catholic priest was once a new-born baby—a boy baby. As a youth he chose his own career. He applied at his diocesan seminary and was admitted after passing rigid tests for strength of mind, body, and character.

In the seminary he lived and studied and prayed for about twelve years—studied for the first six years Latin, Greek, modern languages, English, history, and mathematics; then came two years of logic, psychology, ethics, advanced physical science, Hebrew, and other subjects. At the end of the eighth year the academic degree of Bachelor of Arts (recognized by the State) was conferred on him. Then he continued for four years of post-graduate work in Sacred Scripture, dogmatic, moral, and pastoral theology, canon law, and liturgy. And finally by the laying on of the hands of the Bishop, he was ordained a priest of God.

And so, dear neighbor, when you next see a Catholic priest, you will be looking at a member of what is undoubtedly the most highly educated class of men in the world; but, more than that, a man who (as St Paul himself puts it), "taken from among men, is ordained for men in things that

appertain to God." For the priest is first of all Christ's ambassador on earth. He teaches Christ's truths as Christ taught them. He administers Christ's sacraments as Christ administered them. At his daily offering of the Holy Sacrifice of Mass, he continues till the end of time Christ's own sacrifice of the Last Supper and of Calvary. This is Catholic belief.

Without the Catholic priests of the early centuries, God's revelations to man would be now unknown—His soul-saving graces beyond our reach; and all Christianity would be considered today as a myth of 1900 years ago. From the first Pentecost Sunday till the day, the enemies of God, Christ, of His Church, have realized this and so have attempted to discredit, to calumniate, to extinguish His holy priesthood—so vainly, so foolishly—for Christ had promised Peter, the Pope of His infant Church: "the gates of hell shall not prevail against it." Catholic priests—more than 300,000 of them—ambassadors of Christ in every land! Strong courageous men—God-loving, God-fearing, humble men, who in the last breath of their mortal life cry out to the saints and sinners of their flocks: "Pray, dear friends, for my soul; because of him who has received much, much is expected."

If it's anything Catholic, ask a Catholic! For further information write P. O. Box 351, Whiteville, N. C.
