"Tons Of Trouble" Will Be Presented In High School Auditorium At Southport Friday, April 8

The senior class of Southport high school will present the play "Tons of Trouble" on April 8th at 8 p. m. in the high school auditorium.

Imagine a young man who, in order to please his uncle, has lied about owning a prosperous farm. Then imagine the young man's horror when said uncle arrives upon the scene, declaring that he wishes to spend the summer on his nephew's farm.

After that, imagine the young man's friend, who has lied to his wealthy Aunt, telling her that he has been married for two or three years, and then she pops in, expecting to meet the wife! But

there is hope for both, for the friend owns a farm, and is willing to loan that if his friend will loan him his wife! These are just a few of the many complicated situations that make "Tons of Trouble" the most laughable play in years.

### Farmers Busy Planting Corn

Corn Planting Was General All Throughout Brunswick Last Week With Most Of Crop Already In Ground

Corn planting has become general during the last ten days and a great deal of the crop is in the grounds, according to County Agent A. S. Knowles. In most cases the growers went to the trouble to prepare fine seed beds.

Last week the agent held a series of five meetings gathered at these meetings to hear better corn production practices, and also better practices for various other crops. Mr. Knowles says that there appears to be a fine coordination of efforts among the farmers in growing corn and other crops. In this the various agricultural agencies are heartily cooperating.

The outlook is for over fifty Brunswick farmers to try to get into the 100 bushels-of corn per acre class this year.

### Shalotte Woman Receives Honor

At a meeting of the American Legion Auxiliary in Burgaw Monday, Mrs. Edward H. Redwine of Shalotte was unanimously elected Committeewoman for the 7th District.

This is a position in the Ladies Auxiliary comparable to that of district commander in the Legion. Harry L. Mintz of Shalotte is District Commander of the Legion and it is quite a distinction for the District Committeewoman and District Commander to be from the same town.

### ANNOUNCE BIRTH

Mr. and Mrs. W. R. Gibson of Freeland, West Virginia, announce the birth of a son on February 25th. Mrs. Gibson is the former Miss Lena Chadwick, daughter of Mr. and Mrs. John Chadwick, of Shalotte Village Point.

(By Cheer Leaders)

This week, folks, we have loads of news and all of it's important.

The cheerleaders just received a letter from one of our most popular graduates, Franto Molly-check, who is now in Alaska. We can't express how thrilled and pleased we were to receive such an encouraging letter from Franto. We didn't realize that so many people so far away read our articles, but hereafter we will do more than our part to get our readers the latest gossip. Thanks again, Franto.

The senior are giving their play, "Tone of Trouble" Friday night, April 8, at 8 o'clock. Everyone is cordially invited to come.

Mr. Stevenson gave two musical quizzes Thursday mornin' in chapel to see who would be awarded the arion metal in the grammar grades and in the high school. Libby Caster won the grammar grade award with Robert Williamson as runner-up. Elizabeth Lupton was the lucky contestant in high school with Patricia Adams as her runner-up. Congratulations students!

Thursday night our two contestants of Southport high, Gloria Lee Hewett and Betty Jean Helms went to Shalotte for the Azalea Festival Princess Attendant Contest. Sammy Lane Mercer of Bolivia defeated our girls but our ownsweet Gloria Hewett was runner-up. Congratulations, Sammy

and the same to you, Gloria.

The Southport girls' and boys' basketball teams and cheerleaders want to express their appreciation to Mrs. Nola Tylar for a wonderful weiner-roast Friday night. The hot dogs sure tasted good, especially to the ones who left home without supper and had to help push the cars on a empty stomach. Thanks a lot, Mrs. Tylar.

Since basketball is nearly over we can settle down to local interests and baseball. Saturday night Karen and Nancy Swan, Mary Ann Loughlin, Harriet Corlette, Latitia Hickman, Stuart Arrington, and Janice Trunell went to "Olivers" for chocolate ice cream cones. Saturday night we also saw Douglas Watts, Gene Fulwood, Gene Wattson, Jimmy Ratcliffe and Bobby Spencer enjoying peanuts in the drug store. We can't forget seeing Gloria Hewett, Janice Swan, Jackie Marsh, Iris Rabon, Sue Williamson and Billy Smith at our regular dance. Going back to Friday we saw Bernice Phelps, Richard Brendle and Ula Garner stuffing hot dogs and cokes. Sunday Elizabeth Lupton toured Greenfield Lake with Connie Surles and her brother, Emerson. The lake was awfully pretty-in fact almost as pretty as our park. Coope Burreis was also seen touring the lake with his family. Friday our boy's baseball team dressed up in their new uniforms and went to Wilmington.

Until next week, folks, we remain yours-truly.
