## High Times

(By Cheer Leaders)

As you all may know already our boys played Camp Lejeune Tuesday afternoon here at the local diamond and won with a score 5-4. Camp Lejeune really did give our boys a tough time and at the end of the 9 innings the score was tied, 4 to 4. They had to play another inning and "Foul", (Billy McDowell) got a lucky hit which brought "Susie" (Bobby Spencer) in from third base to give Southport the victory. We can't forget the incident, either, which occurred between Brendie and Camp Lejeune third baseman. This was our first scheduled game for the season and our boys are off to a good start with Coach Sanders doing his best to get them in good shape.

A group of Baptist young people greatly enjoyed a "backward" party in the basement of the local church Friday night. Everyone was a sight with their clothes on backward, especially the boys. The refreshments were punch, cake, and peanuts. They were all good and especially the "April fool lemonade" which was of water and a piece of lemon. Everyone looked cute in their funny hats and we all enjoyed the games. In fact, we enjoyed the whole party. To express our

thanks to the following ladies: Miss Louise Rees, Mrs. Marjorie Livingston, Mrs. Ressie Whatley and Mrs. Margaret McRackan.

Saturday morning about 7 o'clock we saw Karen Swan, Nancy Swan, Harriett Corlette, Patricia Adams, Mary Ann Loughlin and Janice Swan loading on the W. B. & S. bus heading for Wilmington. It was really a teen-age affair on the bus that day. They didn't do much shopping, but of course Nancy had to get a pair of shoes, Harriett and Easter hat, and Janice and Nancy baseball caps. We can't wait until we can wear them. After the great shopping spree, the show came next. Nancy and Janice would probably still be there if Karen hadn't dragged them out in time to catch the bus, but we all enjoyed our trip to Wilmington.

Here we go with this week's gossip and so forth. We saw our trees infested with girls during the baseball game Tuesday. In case you want to know, our monkey friends were, Karen Swan, Latitia Hickman, Janice Trummel, Harriett Corlette Patricia Adams. By the way, Janice Trummel is our baby. This week saw many of our local boys and girls over in Wilmington during the Azalea festivities. Friday night Southport was represented by Gloria Hewett and Elizabeth Lupton at the Teen-Age Ball. It was a wonderful dance and we are sure everybody down here would enjoy one. We searched everywhere for Billy (Batson) but we got information that he was working, believe it or not. Saturday everybody was enjoying the parade. Several of our county friends were seen working their way through the crowd. We saw Scott McKeithan, "Bunkie" Belamy, Fay Hewett, all of Shallotte. We also saw Lindsay Walton and Paul—better known as "Leland" representing Bolivia. We were awfully glad to hear from Ronnie Hood, our local boy who moved to Virginia. Thanks Ronnie. We see our Seniors running around like mad preparing for the play Friday night, so don't forget it, folks. Since our time is running out we'll sign off now.

## CATHOLIC INFORMATION

### He proved His Divinity!

Christ had not risen on the third day. He would not have fulfilled the prophecies. He would not have kept His promise. He would not have proved His Godhead and on the fourth day He would have been buried and forever buried. He had to rise from the dead! He did. On the third day the tomb was empty. Then He, whom they had buried, appeared to hundreds during the next forty days, and finally, before their ascended into Heaven. On those days nobody doubted that He had risen. The enemies of Christ dared not deny it. He proved His divinity by preaching it converted 3,000 in two days, and they and their successors established the Church throughout the civilized world in three centuries.

Today the unbiased must accept these things as historic facts. The resurrection is told and retold in the Scriptures. It is attested also by the non-Christian historian of the first century, Josephus, who, in reporting Christ's death and burial, said "He appeared alive again

the third day." The humanly-impossible conversion of the pagan world from its cult of pride, hate, greed, and lust, to the religion of humility, love, self-denial, and chastity, is written down by accepted pagan historians of those centuries. And reason tells us that this would not have been and could not have been, had not Christ risen from the dead to prove His Godhead.

Easter is the Feast of the Resurrection—the Feast of the proof that Christ is God and His religion divine. A glorious day, a joyous day, a vital day for him who was his creed secured by fact as well as faith!

Facts! The Christians of the early centuries had them and used them to convert the world. Christians of today have these self-same facts which, if used in the same way, would put to flight the false prophets of whom Christ warned, and finally bring this world of ours back to the feet of Him who rose from the dead to prove Himself the Way, the Truth, and the Life for every man.

If it's anything Catholic, ask a Catholic!

## Pirate Log

By: The Three Buccaneers, (Kat, Jan and Peg.)

We're here again to serve you gossip—although it seems to be scarce.

As we told you last week the Junior Beta Club members are ordering their pins. This week we have more news about them. The members are starting a school paper called the "Chatterbox". The editor is Gertrude Hewett and the art editor is Gwendolyn Blanton. It is sponsored by Miss

## Announce Engagement

MISS JOSEPHINE MOORE, daughter of Mr. and Mrs. Joel L. Moore of Southport, whose engagement to Claude W. Rankin, Jr., son of Mr. and Mrs. Claude W. Rankin of Fayetteville, is announced by her parents. The wedding will take place in June.

## The B-Hive

(By Two-Bettys)

The seniors are very enthusiastic about their play "Kate Meets The Band." The date and cast will be announced later.

Friday being April fool's day the whole school was very chaotic. As usual many tricks were played and some forgot to go to classes.

Wednesday afternoon the Junior Beta club went on a hike which ended in a picnic and later they went to a movie. Those attending were Joan Bennett, Carolyn Smith, Sylvia Sermons, Mary G. Chadwick, Gwendolyn Blanton, Gertrude Hewett and Miss Tencie Frye.

We would like to Welcome Mrs. Margaret Russ to our high school faculty. Mrs. Russ is now teaching biology.

Mr. Grahl seems to like his new algebra 11 class. We wish you much success with the students, Mr. Grahl.

The annual staff is proud to announce that the book is being printed. We would like to thank Miss Copeland for helping the annual staff.

The senior class has a picnic at the Legion Hut. last Monday. Everyone seemed to enjoy the occasion.

The two eighth grades were seen playing baseball last week. Billie Kate Leonard, Geraldine Cox, Rose Marie Holden, and Elinor Thompson were seen chatting before Glee Club Thursday. Everyone of the freshman girls may be seen playing softball. The whole studentbody is looking sleepy-eyed since school has been taking in one-half-hour earlier.

That winds up the news for this week, folks.

Students of Bolivia high school have been in a state of excitement during the past week due to the Junior-Senior banquet on Saturday night. The juniors were running around all week, busy as bees in their efforts to make all necessary preparations for the banquet. As a result, the banquet went off with a bang—and we do mean bang!

The freshmen had a wonderful time at the weiner roast given for them at the H. L. Willetts home last Tuesday night. Including those who enjoyed this affair were: Myrtise Hickman, Jackie Lewis, Betty Padgett, Leberne Edwards, Guy Willetts, Marvis Hewette, George H. Lanier, Patty Caison and several others.

On Friday night members of the second grade presented a very interesting play. We were surprised at how well these little folks did their parts, and we think they deserve a lot of praise.

Well, if it isn't one type of ball game it's another. The high school boys have organized a baseball team and really are improving in their playing.

What with banquets and class parties, there was so much buzzing around the B-Hive this week that there wasn't much time to make other news. So, we'll sign off for now and we'll be seeing you next week.

RETURNING HOME  
Mrs. W. C. Norton and children are returning home Friday from Fort Smith, Arkansas, where they have been living for the past several months. Sgt. Norton is being

During the past 6 months Miss Leonard was one of four students in the school making a grade of 94 or better. Her grade was 95.

## Ford Motor Co. Reduces Prices

Big Manufacturer Falls In Line With The Downward Trend By Announcing \$12 To \$120 Cuts

The Ford Motor Company yesterday announced reductions from \$12 to \$120 on Ford, Lincoln and Mercury cars.

The reductions, attributed to "increased availability of materials and the small decrease in prices of some materials," became effective today.
