Southport Wins Two More Games

Bolivia Defeated By One-Sided Score Thursday With Leland Losing Here Monday; Play LeJeune Today

Southport high school defeated Bolivia 24 to 1 Thursday afternoon in a slugfest played on the loser's diamond. On Monday afternoon the locals played Leland here and took a 9 to 0 decision. This afternoon Southport is playing Camp LeJeune high school in the Legion Stadium in Wilmington to determine the winner in Group 3, District 2, of the Class B championship race. Southport won the first game here, but lost a return engagement at Camp LeJeune.

The Bolivia game was just a case of Southport hitting and Ratcliff's pitching. Southport was having a big afternoon and Bolivia was off to a poor start. The return engagement between the teams may be a much different story.

The Leland defense was stubborn against Southport, and not until the late innings was the game in the bag. Johnny Wooten was on the mound for the visitors and did a good job until he weakened. He gave way to White in the last two innings. Jimmy Peterson caught.

Ratcliff was on the hill for Southport and worked a nice 6-inning stint. He was relieved by Gene Russ, who looked good the last three stanzas. The latter also teamed with Hickman to

lead the local batters. Tommy Bowmer caught.

Southport Nine Defeats Moose

Skippy Stiller Works Good Game For Town Team In First Home Game Of Season Here Sunday

The Southport town team came through with an impressive 8-1 victory over the team of the Loyal Order of Moose here Sunday afternoon.

Skippy Stiller, in the box for Southport, allowed 7 hits, walked 5 and struck out ten men. Tight playing by both infield and outfield prevented all but one of the 12 men who reached first from making it home.

Auld and Padrick divided the pitching honors for the visitors. Between them they suffered 8 hits and each fanned 5 men.

A home run by Clark for Southport was one of the longest drives ever seen on the local diamond.

Surf City boys from Holy Ridge, with the same per centage as Southport in the Cape Fear circuit, play here Sunday afternoon. The Southport team, which includes five of the players on the high school outfit, has been showing a marked improvement since the schedule started and a close game is expected.

'Captain' Martin Taken By Death

Veteran Horse And Mule Dealer And Prominent Local Citizen Succumbs In Columbus Hospital

'Captain' Franklin Donald Martin, 70, died Friday morning at 3:15 o'clock following a short illness in Columbus County Hospital.

Mildness Theme Is Featured In Camel Campaign

In their present newspaper campaign for Camel cigarettes, one of the largest newspaper campaigns in the company's history, R. J. Reynolds Tobacco Company features the 30-day Camel mildness test.

Each advertisement in this campaign features two outstanding personalities who are Camel smokers. One a famous "veteran" star in some particular sport or other activity who has been a Camel smoker for years, and the other a rising young star who has recently switched to Camels as the result of making their own 30-day Camel mildness test.

Among the outstanding personalities used in this series are Johnny Vander Meer and Gene Bearden, baseball pitchers, Willie Hoppe and Willie Mosconi, billiard players, Gene Sarazen and Lew Worsham, golf professionals, Gladys Swarthout and Virginia MacWatters, opera and concert singers, Cole Porter, composer, and Patricia Morison, singing actress and star of the new Cole Porter musical comedy hit, "Kiss Me Kate."

In addition to the newspaper advertisements, which are appearing regularly in this newspaper and hundreds of others from coast to coast, this current Camel campaign is appearing in leading magazines, and on the Camel radio programs, which include the Screen Guild Players, the Bob Hawk Show, the Jimmy Durante Show, and the Vaughn Monroe Show.

Dealers throughout the country who have cooperated in this campaign by placing Camel displays in their windows and on their counters have reported new sales records for this favorite cigarette.

Officer Classes Open To Women

Women seeking a career in the Army may now apply for the October class of Officer Candidate School in the Women's Army Corps, according to Lt. Charles Markus, commanding officer of the Wilmington recruiting station. Civilian women desiring to train for Army officers should submit their applications not later than May 15.

In order to qualify, applicants for OCS training must be between the ages of 19 and 28, be single, have two years of college (or be able to pass an equivalent examination) and must possess high moral and physical standards. Applicants who have had no prior service will receive ten weeks of basic training before entering OCS. Upon successful completion of

the six-months course at Camp Lee, Virginia, candidates are commissioned as second lieutenants in the Organized Reserve Corps and will serve at least two years on active duty. Distinguished graduates will be considered for subsequent appointment as second lieutenants in the Regular Army. Other graduates may be placed on competitive tours for one year, and, if qualified may be considered for Regular Army.

Wife Of General Sponsors Cancer Effort In State

PINEHURST—"I am proud to sponsor the North Carolina Division of the American Cancer Society in its fight for the relief of humanity," said Mrs. George C. Marshall in accepting her commission as honorary state commander of the Society.

"Cancer is such a dread and fatal malady that for years it was spoken of in whispers or not spoken of at all by the laymen," pointed out the charming wife of the nation's distinguished military leader and former Secretary of State.

"Today," she continued, "it has been brought out into the open. The medical profession and our scientists, through their endless research and determined fight, are arresting its deadly march. It is only with your help and support that this program can continue."

The North Carolina Division of the American Cancer Society is conducting its annual appeal for funds with which to carry on its work to conquer cancer, the disease which claimed 2,898 lives in North Carolina last year. Funds will be used for cancer research, education, and direct service to patients.
