This week we are glad to see oan Parker back in school. Joan in the 6th grade, has been absent cause of a broken leg.

Both happy and sad expressions seemed to spread over the school Wednesday. The reason, report cards! To those of you with the sad expression, better luck next time.!

The Agricultural Department is roud of its livestock judging teams, especially the beef and swine team. The reason of this is that this team, composed of James Albert Hewett, Mack Hewett and Joseph Carter, took top honors at the annual federation contest at Chadbourn on April 14. On April 23rd this team went to the district contest at Elizabethtown. At the time this was written we had not heard the results there. The other teams at Chadbourn, composed of Billy Gray, Mack Gray and Harold Gore lost out.
