**Entertain Faculty**  
 The Parent-Teacher Association of the Bolivia high school recently entertained the faculty and Parent Teacher Association members at a supper in the lunch room.

The lunch room was very attractively decorated with sweet-peas and roses. The supper consisted of tomato cocktail, chicken salad on lettuce and tomatoes, garden peas, creamed potatoes with gravy, hot rolls, butter, tea, cake, strawberries and ice cream.

The fun of the evening started when each one had to draw a slip to see what he would do. Some of the men were not very fortunate for they had to clear tables, wash and dry dishes. The film of the Bolivia May Day exercise was also shown. A very enjoyable time was had by everyone.

The bear killed Little's cow, ate a good portion of the milk producer, and got killed in return.

The Green Swamp resident shot the bear and turned the raider's carcass over to Protector B. L. Boswell who divided the meat between the County Home and the Prison Camp.

The bear was brought into Whiteville Saturday afternoon.
