

Clarendon HD Club

meeting, ten interested women were present and five new members have now been added to the rolls.

The Clarendon Club has been quite active in purchasing equipment for the Williams Township School. The sliding board which is the center of attention on the playground was a gift from the Clarendon Club several years ago. This year the project to furnish a mirror, potted plants, or some item to the rooms which need this equipment in order to rate a higher score when the rooms are again checked.

Too Big A Load

At a golf club the other day, a member was boasting about

his strength, when a puny fellow member bet him \$25 that he could wheel a load in a wheelbarrow from the clubhouse to the street which the athlete couldn't wheel back. "You're on," said the boaster.

A wheelbarrow was brought up to the clubhouse. "All right," said the little guy. "Get in."
