

The B-Hive

BY TWO BETTYS

There have been a lot of happenings around Bolivia school this week and after you read this column we think you will agree with us.

The juniors had a wonderful time Thursday night out at the Carolina Drive-In where they saw "Gone with the Wind". Although it is an old picture none of them had seen it before.

The junior boys and girls certainly have a big grin on their faces this week. The reason is, they chose the rings they wanted and ordered them. That is really something to grin about, folks!

The seniors got busy, too, and placed the order for their graduation invitations. That makes graduation time seem to be drawing nearer.

Last Thursday afternoon saw the sophomores off to an enjoyable afternoon down at Wrightsville Beach. Although the weather was rather chilly, they said the water was fine. After taking a swim in the afternoon they had a picnic consisting mostly of chicken. Then the tired, chilled, but happy group, returned home to look forward to another beach party later in the year.

The 7th graders, along with their teacher journeyed to Pretty Pond Thursday afternoon. We hear they had a nice time.

The junior class is sponsoring a movie every two weeks. These movies are very interesting. The type of show is not limited to westerns and comedies, but during the year the pictures will be almost every type. The first of the series of movies was shown Tuesday night at the school gym. It was "Pot of Gold", a musical starring Paulette Goddard and Jimmy Stewart. That is just a sample of what they are going to show. So come on out every Monday night and see a good movie. The next to be shown will be on October 30.

"The Readers Digest" . . . Mr. Evenson dressed up Tuesday for the teachers meeting that night . . . Mack Johnson finally giving an oral report in class . . . Bus drivers getting their reports ready Wednesday for that check . . . Cora Rabon, senior of '49, visiting school Thursday . . . J. W. Collum becoming an artist in citizenship class . . . We are very sorry to learn that Mrs. Pearl Sullivan and Mrs. Douglas Hawes have resigned from their job in the school lunchroom. Mrs. Sullivan was with us last year and Mrs. Hawes is with us for the first time. Mrs. Sullivan will begin work at Robert Sullivan's Cafe at Winnabow.

Sports: Well at last basketball practice will start this coming Monday. Activity period is once again a reality, or almost. So far the schedule for the basketball games has not been worked out; however we are still looking forward to a great season this year. This year, we are very glad to have with us most of the players from last year. They are for the girls Alberta Skipper, Verna Willetts, Edith Purvis, Sylvia Leonard, Doris Danford, Elizabeth Johnson, Harriette Yount, Emma Rae McDowell, Patay Caison and Eloise Sellers. For the boys Hugh Danford, Avon Earp, Jack Gilbert, Paul Howard, Charles Leonard, George Henry Lanier, Worth Mercer, Lindsay Walton, Guy Willetts and Larry Lewis. A large number of freshmen are expected to try out for both the boys' and girls' team. With all of those players, a coach, plenty of practice, sportsmanship, co-operation and plenty of games this should be a year to remember in sports. That about ends the news for this week, folks. Look for us next week, because we'll be back again.
