

## Hallsboro Wins From Bucs, 26-6

**Represents First Gridiron Triumph For Boys Of Bogue High School In Approximately Two Seasons; Burchette Scores Thrice**

HALLSBORO — Hallsboro's Tiger football team won their first game in approximately two seasons when they gained a 26-6 triumph over the Shallotte High School Pirates on the local field Friday afternoon.

Not since the final game of the 1947 season had the local boys won a decision on the gridiron. It was in that year that they counted only one touchdown all season, but that TD (scored by Fat Joe Russ) gave them a 6-0

victory over the Bladenboro Bulldogs in the last scheduled contest on their slate. Since that time, the Bogue footballers had scored only 32 points, prior to Friday's conquest of Shallotte. They had counted 6 points against Chadborn in the 1948 opener to gain a 6-all tie; this season had scored 6 points against Chadborn, then ran up a total of 20 against Whiteville.

Coach Ed Thompson's locals scored their first touchdown early in the opening minutes of the Shallotte battle when Captain Clifton Burchette crossed the pay-stripe from the 1-yard mark. This climaxed a 39-yard drive after the Hallsboros had recovered a Pirate fumble.

The Tigers continued to roll as they scored in every period to outclass the plucky, but inexperienced, Brunswick County boys. They tallied their 2nd TD in the second stanza after a drive from

the Hallsboro 34. The 66-yard charge was climaxed by the running of Burchette, Charles Ray, and Jinx Cook, with the latter carrying the oval to the 1-foot line, from which point Burchette counted his second six-pointer. The 3rd Tig counter was on a 8-yard drive through the middle by Burchette after a long pass from the Tiger captain to Phil Ray had set it up on the 20. Cook plowed off-tackle for the point.

In the 3rd period, the Tigers opened another drive from their 32-yard marker. The hard-working Burchette moved 20 yards to the Pirate 48. Charles Ray dashed to the 35. Cook carried to the 33. Burchette moved it to the 28 on his next turn. Ray swept right-end to the 21, then carried again to the 13. Burchette moved 6 yards to the 7. Jinx Cook bulled his way to the 1/2-foot mark and, after Paul Elliott had been held for no gain by the stubborn Shallotte line, rolled off-tackle for the counter. Charles Ray skirted end for the point to make it 26-0.

A fighting Shallotte team, which captured the admiration of everyone present, fought back to ward off a shutout with a 65-yard drive highlighted by the 33-yard canter of Bunky Bellamy, the plunging of Thomas Gray, and the hard running of Mark Gray. Bellamy finally scored the Pirate touchdown, going over from 5 yards out. A line play for the point failed. The Shallotters were on the move again, with their offensive clicking off yard after yard, but time ran out on them as they were in possession on the Tiger 11-yard line.

## The Pirate Log

Of the first six weeks of school this has been the most dreaded week. You guessed it, report cards went out. There were about as many resolutions made as there are on New Years, and 99% of them can be summed up in two words—"study more".

Tuesday the Junior Beta Club met for the first time this year. They received their latest Beta Club journals.

Wednesday will be an easily remembered day for the first year members of the F. H. A. club. The reason is that they were initiated. They had to wear their dresses backwards, their sweaters with the wrong side out, a spoon on a ribbon around their neck, a sandal with a sock, an apron backwards and a huge sign on their bank with the letters "F.H.A." on it. Half of their lips were painted, one side of their hair was up and the other side down and they wore large red and white bows in their hair. They carried large pocketbooks and, best of all, bags of candy which they had to give the second year members. The last, and most important to the teachers was that they couldn't

talk during the changing of classes. From this description you can imagine the laughs the rest of the school had. Believe us, the club is fun but deliver us from the torture before becoming a member.

Wednesday afternoon we received our report cards. To you with the "sad faces" we wish you better luck next time.

Thursday the highlight of the day was the movie "Five Little Peppers and How They Grew." It may sound like a picture in which only the grammar grades would like but the high school enjoyed it very much. The picture next week will be "Follow the Leader". These pictures are not only enjoyable but educational, too.

Friday the F.H.A. club accepted the new members in the club during a beautiful candle service in the auditorium. President of the club is Geraldine Browning; vice president, Sylvia Sermons; and secretary and treasurer, Betty Lou Williams.

All this week the football boys were under heavy drill. Friday at Hallsboro they were beaten by a score of 26 to 6. The six points for Shallotte were made by Bunky Bellamy. Both teams fought hard but in the end Hallsboro won the battle.

Seen Around: The junior boys eating at the lunchroom early. The science class having a slight

explosion . . . The Block "S" members becoming very interested in their club . . . Some visitors from Waccamaw . . . Louise Hewett wearing a red—and we do mean red—dress . . . Hannah Tripp getting compliments on a very pretty grey skirt of here . . . Geraldine Cox eating an ice cream . . . Susie Ann White and Mary Fyna Clemmons, two former students of Shallotte, at school . . . Thomas Grey and Bunky Bellamy studying biology in study hall . . . The geometry students changing their mind about the course being easy after they found out the last six weeks had spent studying the introduction . . . The cheer leaders showing off their new outfits . . . The freshman girls really taking an

interest in basketball . . . And students from Southport, Leland, Bolivia, and Shallotte in Wilmington Saturday. If we missed Waccamaw, please forgive us.

That's all the news for this week but we'll be back next week with more news about the "ates" of Shallotte high. Until so long and be good too.

## Highway Wreck Damages Cars

Driver Of One Vehicle Faces Charges Of Drunken Driving For His Part In Collision On U. S. No. 74 Sunday

As a result of a wreck three miles west of Leland at 1 o'clock Sunday afternoon, Herbert Clater of Delco is being held for trial on the double charge of drunken driving and damage to property. The case is slated to come up in Recorder's court here Monday.

Clater, according to State Highway Patrolman C. M. Cummings, lost control of his Chevrolet on Route 74, three miles west of Leland. He crashed into a Cadillac operated by Richard D. Fogleman of Alamance. None of the occupants of either car were hurt but both machines were badly damaged and had to be moved to repair shops by wreckers.
