in present dormitories, and re-

publication now being distributed ing to meet greatly increased deby the Development Program's mands for legal training and to National Committee. The booklet provide badly needed space for points out that the funds sought administrative offices. This buildwill be used to finance key re- ing is designed to complete the more scholarships and fellowships, campus. Its erection will make it more research facilities and in- possible to convert present administrative offices into class-

A student and alumni center to offer additional cultural and recreational facilities to students and a central campus gathering place for alumni.

The erection of these new buildings and provisions for necessary utilities and maintenance, will require, it is estimated, approximately \$9,000,000.

The remainder of the \$12,000,-000 sought will be used for instruction and research in medicine, faculty salaries and endowed professorships, and scholarships and fellowships.

Duke's President A. Hollis Edens, Chancellor Robert L. Flowers, and Vice Chancellor William H. Wannamaker are honorary chairmen of the Development organization. Active membership in the Highway Patrol will make a Program's national committee, colorful addition to its regular still in the process of formation.

Duke alumni and friends. Other committees are being organized throughout the country velopment Program.

The illustrated booklet being the old Trinity College era, aerial which the mean's and women's Lespedeza Hay — \$18.00 Per ton colleges are located, and photographs of the chapel and other graphs of the chapel and other points of interest are reproduced in the booklet.

Architects' designs for the proposed new buildings are included, with an aerial view showing their ont Ditching Dynamite - \$13.50 Per case projected locations.

The 22 brought fatalities for the month to 80, an increase of 18 per cent over the 68 persons who died last year. Deaths through September totaled 600.

Patrolmen Wear Luminous Bands

Bright Yellow Raincoats, Supplemented By Scotchlite, To Be Distributed In Near Future

RALEIGH-North uniform this winter-a bright yelincludes more than a hundred low raincoat with luminous bands on sleeves, shoulders and back.

The North Carolina Department of Motor Vehicles, of which the to carry on activities of the De-Patrol is a part, announced today the arrival of 425 of the eyecatching raincoats, replacing the distributed in connection with the black rainwear of war and postprogram opens with a brief his- war years. The bad weather gear, Lespedeza Hay — \$25.00 Per Ton program opens with a brief history of the University, including the old Trinity College are social war years. The bad weather gear, which has a navy blue corduory collar, will be distributed to patviews of the two campuses, on rolmen as fast as the black raincoats wear out.

The yellow color, which was used before the war and could not be obtained during the war and immediately afterward, has the obvious purpose of making the patrolmen more quickly distinquishable to the motoring public. The addition of the luminous "Scotchlite" bands will permit the patrolmen to be seen more
