Chadbourn Wins Final Grid Game

Chadbourn Gains 26-0 Win Against Brunswick Eleven in "Half - Game"; Was Panthers 1949 Finale

Southport dropped a 26 to 0 verdict to Chadbourn Tuesday afternoon in the final football game of the season. The contest was unusual in that the first quarter was permitted to continue for more than half an hour and the second period for fully twice the length of the agreed time of 10-minutes. The game was called by agreement after these first two quarters.

The play was mostly all Chadbourn during the actual playing time. The Panthers drove to 20 of their points during a lengthy first period and added another six in the second. The Southport club kicked off and Chadbourn fumbled on the first scrimmage play. It looked as if the Brunswick County boys meant business as they went to the Chadbourn 21-yard mark. However, after a loss to the 25, they were held for downs and the Panthers took over and went 77 yards for a touchdown. Tommy Lewis, who scored a pair of the local TD's went over from 1-yard out on the scoring play. Pat Bass kicked point. Moments later the locals were on the TD trail again as Bass intercepted Ward's pass on the Porter 46 and returned to the 34. Dickie Turlington went to the 26, and Bass went off-tackle for the score and then place-kicked his second PAT.

Dickie Turlington got the third Chadbourn tally from the Southport 9-yard mark, also on an off-tackle slash. The final score came late in the second quarter with Tommy Lewis going over from the 5 yard line. Again it was an off-tackle play that worked for the local eleven.

Three Chadbourn players finished their high school football careers since they are seniors and should graduate in the Spring. They are Quarterback Pat Bass, Center Jack Yates, and Tackle William Boyette.

Bolivia Teams Open Cage Play

Divide Double-Header With Long Creek In First Encounter And Swept Two Games From Acme-Delco

The Bolivia basketball season opened last Tuesday night with a bang. Both boys and girls met Long Creek on Bolivia's court for two thrilling games.

The powerful Long Creek team proved too much for the Bolivia girls. After a gallant fight by the Bolivia lassies to overcome an early lead of the visitors the final score read Long Creek 31, Bolivia 20. Dot Miller sparked the Long Creek team with a total of 12 points, followed by Joan Wilson with 9. Sylvia Leonard led for the home team with 10 points and Doris Danford was second with 7.

Following the girls game the Bolivia Bears and the Long Creek boys teams played another jam-up game. The final tally was Bolivia 41, Long Creek 33. The game was nip and tuck during the first three quarters with the Bears forging ahead in the last quarter to win. C. Leonard led in the scoring for the Bears with 12 points. Runner-up for Bolivia was P. Howard with a total of 9.

From observing these games the schools of the Brunswick county conference had best look to their laurels for Bolivia is in there driving this year.

On Thursday night the Bears

met Delco on their home court. The Bolivia girls won a hard fought battle 24 to 17 with S. Leonard leading the scoring for a total of 14 points, following by H. Yount with a total of 4. S. Clayton of Delco sparked her team with 12 points followed by J. Davis with 3.

In the boys game the final score was Bolivia 32, Delco 15. L. Walton led the winners with a total of 9 points, followed by J. Varnum and C. Leonard with 7 each. Delco's scoring was led by Bordeaux with a total of 5 followed by Reanes with 3.

It is hoped that Bolivia's gymnasium will be more comfortable for spectators this year since two large gas space heaters have been added. The Bears would like to extend an invitation to all the patrons and other interested persons to come out and enjoy in comfort American's favorite indoor sport.
