Spring Gowns and Huts in Latest Modes ---Material and Trimmings: Belts, Slides and Ear rings,

Spring dressmaking ought to be a comparatively easy task this season, when the most expensive imported gowns are loaded with trimmings made of their own ma

Spring Festival Draws Near and the Milliners Will Soon Be Busy.

The Lenton season, which is ob served by Roman Jatholic and Episserved by homan standic and reps-copal churches all over the world has begun. Ash Tuesday, the first day of Lent, fell this year on Febru acy 13, an unusually early date. Ash Wednesday comes just forty

days, not counting the Sundays, be-fore Easter, which is a movable feast. Easter fal's each year on the first Sunday on or after the first full meon after the 21st of March, and the beginning of Leut is reckoned forward from that. This year Easter falls on March 31.
It is not often that Easter falls as

early as it does this year. In 1902 it came on the 30th day of March, that is the earliest that it has been in many years. In the time from the year 1710 to 2000 it will fall on the 23rd out four times, in 1878, in 1845, in 1856 and will be see that date in 1913. In the three number years it has come upon the earliest possible late. March 22nd, but once and that was in 1818.

It is most unfortunate to have the great spring festival come so varly. The spring hats and the spring freeks which are such an important accompaniment to it are quite out of question in March even the last of March, and it is only the most fool-hardy who risks her new finery to the uncertain elements.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of SCHNAPPS Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chewer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country flue-cured tobaccos, and that SCHNAPPS is what he ought to chew. Still there are chewers who accept other and cheaper tobaccos that do not give the same pleasure.

Some day they'll get a taste of the real Schnapps-they'll realize what enjoyment they we missed by not getting SCHNAPPS long ago-then they'll feel like kicking themselves

SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine,
